**Video Editor**

USA Gymnastics is at a pivotal moment as the organization builds toward the LA 2028 Olympic Games and beyond. With a strong foundation in place, the next phase of growth requires a focused, disciplined strategy to support our world-class athlete safety, competitive excellence, participation, and long-term sustainability goals.

**The Opportunity**

We are looking for a creative, hands-on Video Editor to bring USA Gymnastics' events, storytelling and brand to life. Reporting to the Creative Director, this role will be responsible for video and content production, video capture, and other digital projects.

**Key Responsibilities**

- Produce video projects for all departments and events, as requested or assigned
- Film and post routines and interviews from competitions
- Develop video assets to fulfill sponsor obligations
- Maintain the organization's YouTube channel content
- Create unique content for USA Gymnastics digital channels as assigned
- Shoot and create video assets and entertainment elements for USA Gymnastics events
- Facilitate fulfillment of video footage and licensing requests
- Assist with production of livestreams from select gymnastics events
- Produce and deliver commercials and other USA Gymnastics promotional materials

**Qualifications and Experience**

- Bachelor's degree, with a major in video production or similar area of study preferred
- 2+ years of relevant experience in video editing and videography
- Skilled with Adobe Creative Cloud Suite (Premiere, After Effects, Photoshop)
- Ability to independently edit and deliver videos with high-level oversight
- Experience with videography and photography
- Ability to proactively problem solve
- Ability to maintain a positive "can do" attitude in a fast-paced environment

**Other Information**

- Position is based in Indianapolis, Indiana
- Salary and benefits commensurate with experience, in accordance with applicable state and local laws.

**Physical Demands and Work Environment**

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions

- Ability to multi-task; take initiative; be deadline-oriented; maintain confidentiality and work both as part of a team and independently.
- Ability and willingness to travel and work weekend and after-hours work required.
- Ability to work for extended periods while standing or walking, including during competitions, events, and camps.
- Ability to sit, stand, walk, bend, stoop, kneel, and move throughout event venues for extended periods.
- Strong organizational, and logistical planning skills.
- Ability to coordinate multiple projects simultaneously.

To apply, send your resume and a link to a portfolio or website showcasing your work to: recruiting@usagym.org. Please include "Video Editor" in the subject line of your email.

*Please note, this job description is not designed to cover or contain a comprehensive listing of activities, duties or responsibilities that are required of the employee for this job. Duties, responsibilities, and activities may change at any time with or without notice.*
