8TH ANNUAL VETERANS BLEND

COMMERCIAL PRE-SALE:

JUN 23 - AUG 25

SPOT AVAILABILITY:

FALL 2025

Each year, Yakima Chief Hops creates a unique hop blend in support of the Veteran community in collaboration with military Veterans currently working in the brewing industry. Thanks to enthusiastic nominations from the Veteran brewing community, this year's blend will benefit Soldiers' Angels, a nonprofit organization providing aid, comfort, and resources to the U.S. military, Veterans, and their families. Yakima Chief Hops will donate \$1 from every pound sold to Soldiers' Angels, helping them to further their mission of assisting U.S. service members through food, care packages, transportation, housing, and holistic support, among other incredible services.

The Yakima Chief Hops sensory team anticipates strong stone fruit and tropical flavors, with a subtle undertone of herbal, woody, and floral aromas. This year's blend is ready to serve many beer styles or hoppy beverages!

YCH encourages brewers to use Veterans Blend to forge meaningful community connections by collaborating with local Veterans or inviting them to your taproom for a beer release. Additionally, raising awareness for Veteran-focused organizations like Soldiers' Angels can deepen the impact of your brew. Learn more about the 8th Annual Veterans Blend [here](#).
