

9TH ANNUAL PINK BOOTS BLEND AVAILABLE NOW!

This year's Pink Boots Blend selection marked a meaningful return to chapter-led collaboration. The hands-on sensory event was hosted by the Boston chapter of the Pink Boots Society to craft a blend for the global brewing community. The collective passion and expertise behind the process helped to create one of the most exciting and balanced Pink Boots Blends to date.

YCH will donate \$1 from each pound sold to the Pink Boots Society, supporting its mission to assist, inspire, and encourage women and non-binary individuals in the fermented/alcoholic beverage industry to advance their careers through professional development.

Brewers are encouraged to amplify their impact by coordinating with their local Pink Boots Chapter, engaging the women and non-binary folks throughout their organizations, or registering for a Pink Boots Collaboration Brew Day. Collaboration Brew Days generate donations to local chapters, funding scholarships and opportunities within the brewing community. Learn more at pinkbootsociety.org.

FEATURED HOP VARIETIES:

MOSAIC®

CENTENNIAL

HBC 638

EKUANOT®

BREWING VALUES*:

ALPHA ACIDS

12.7%
