

Adhesive-Backed Rare-Earth Magnets

(99K34.61+)

WARNING: CHOKING HAZARD.

Contains small magnets. Not for children under 3 years.

Magnets should not be left in the hands of young children.

Swallowing any magnet can be dangerous. Seek immediate medical attention if a magnet is swallowed or inhaled.

Caution: Strong magnetic field. Keep magnets away from all electronic equipment (e.g., computers, television screens) or other items that have information stored magnetically (e.g., credit cards, bank cards, computer disks). Magnets can corrupt stored data if placed too near.
