You must print the receipt and present it to the U.S. Embassy or U.S. Consulate along with certain documents to demonstrate your intent to study in the United States and, after completion of your studies, return to your home country. The documents you need: Form I-20 obtained from Berlitz; proof of financial certification; a valid passport; and evidence of ties to your country. We recommend that you make an appointment for your interview at least **60-120 days before the date you intend to begin your studies**. You can find more information on how to apply for a student visa, including the required visa application, on the U.S. Embassy and U.S. consulate website.
