# Our Travel Style

Our global network of local experts deliver the types of experiences that can't be Googled. Immersive trips that enable you to explore authentic local culture in a sustainable, experience-rich way. We love the highlights, but the real magic for us happens well away from a beaten path, the real life experiences you won't find in a search engine.

## Comfort: a little more... comfortable

We've smoothed away some of adventure travel's rougher edges to craft a style of travel that has a few more pleasantries included. Enjoy a more relaxed pace of travel, inviting accommodation, more included activities and many meals along the way.

### Accommodation

Comfortable hotels at a 3-to-4-star level, with private amenities and often plenty of local character. Some itineraries also feature homestays or unique accommodation.

### Transport

Primarily uses private transport, sustainable where possible. Local transport is occasionally used when it adds to the experience, like hopping on the back of a camel in the Sahara.

### Inclusions

We've taken the hassle out of travelling, by including many of the activities, meals and an arrival transfer from the airport (if specified in your inclusions). Your experienced local leader or guide will also have plenty of tips for how best to fill your free time.

## About your Tour Leader

### Tour leader

On this trip you will be accompanied by one of our tour leaders. The aim of the tour leader is to take the hassle out of your travels and to help you have the best trip possible.

Your leader will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the places visited on the trip, including historical, cultural, religious and social aspects. We aim to support local guides who have specialised knowledge of the regions we visit. If you were interested in delving deeper into the local culture at a specific site or location then your leader can recommend a local guide service in most of the main destinations of your trip.

At 6:00 pm, meet your leader and the rest of the group for a short welcome briefing. Afterwards, we'll head out together for a welcome dinner, where you can get to know your fellow travellers while enjoying local flavours and soaking up the atmosphere of your first evening in Türkiye.

**Meals included:** Breakfast, Lunch

After breakfast, transfer to Kekova and spend the entire day on a relaxed sailing experience along the crystal-clear waters of Kaş. Swim in the turquoise sea or simply stay on board, soaking up the views while enjoying Sebahat's home-cooked local dishes and freshly brewed Turkish coffee. A true highlight of the day is exploring the peaceful islands around Kaş aboard a traditional gulet run by local couple Sebahat and Mehmet, who have been working with Intrepid for over 20 years. What started as a single boat has grown into a family business, with their son now operating a second vessel. During the day, you'll also have the chance to discover the delicate techniques of traditional Turkish oya embroidery with Sebahat, who creates beautiful scarves, necklaces and bandanas for guests on board. Over the years, she has learned English and French simply by chatting with the travellers she's hosted — a wonderful reminder of how travel can be a genuine force for good. In the late afternoon, return to your hotel in Kaş, bringing a memorable day spent with local people to a close.

## **Included Activities**

- Sailing trip with homemade meals

**Accommodation**

**Day 4 / Sunday, 8 November 2026****Antalya**

**Meals included:** Breakfast, Dinner

After breakfast, depart Kaş and transfer back to Antalya, a journey of approximately three hours. Upon arrival, continue to the Education and Research Centres to meet DEKAFOK, a local conservation organisation dedicated to supporting the sustainable use of our coastlines and protecting the species that call them home. DEKAFOK works to raise awareness and demonstrate how people and wildlife can coexist in harmony along our shores — particularly sea turtles, Mediterranean monk seals, and endangered dune plants such as sea lilies. Take part in an engaging talk held in an open-air classroom, featuring visual materials as well as real samples collected during fieldwork and displayed in the laboratory. The session will explore the life cycles of sea turtles, Mediterranean monk seals, and threatened dune ecosystems, while also highlighting DEKAFOK's conservation efforts and their collaboration with the tourism sector. Later, put this knowledge into action by joining a coastal clean-up, helping remove plastic and other human-made waste that threatens natural habitats and disrupts the balance of coastal ecosystems. Afterwards, return to your hotel and take some time to prepare for your farewell dinner. Tonight, we say goodbye the Turkish way. Come together one last time for a farewell dinner inspired by traditional meyhane culture, where local flavours, shared plates and good conversation provide the perfect way to wrap up this memorable journey.
