QS1_1 How much do you agree or disagree with each of the following statements about holistic solutions (e.g., aromatherapy, cannabis, acupuncture, supplements)?

I would prefer holistic solutions to pharmaceuticals to treat a medical issue when possible.

QS1_3 How much do you agree or disagree with each of the following statements about holistic solutions (e.g., aromatherapy, cannabis, acupuncture, supplements)?

I would give up my favorite food for a year if it meant finding a holistic solution to treat my anxiety.
