# Streamlined account application

Current clients may use this simplified application to apply for any of our personal banking deposit accounts, as long as the account holders and the type of account (e.g. individual, joint) will be the same as your current EverBank account. Complete this application online or by hand using blue or black ink. To apply for other accounts, visit us online at [everbank.com](https://everbank.com).

EverBank, N.A. is an FDIC insured national bank. For FDIC insurance purposes, your deposits with EverBank are combined by FDIC ownership category with any other deposits you may have with EverBank through other means, such as by your participation in deposit placement services or sweep agreements with another financial institution.

While EverBank is committed to assisting limited English proficiency (LEP) clients and potential clients, account applications and agreements, disclosures, statements, notices, and other documents for our products and services, as well as all account opening, online banking, mobile applications, and other electronic systems provided by EverBank will be provided in English. As a result, it will be necessary for clients and potential clients to speak, read and understand English or to have an appropriate translator assisting them.

EverBank offers the following resources for LEP consumers: (1) Bilingual associates in certain financial centers and through our call centers. (2) Access to interpretive services through our call centers. (3) Limited ATMs with language-preference options.
