#### 5. Control person and beneficial equity owners

##### Notes for Non Residents of the United States:

Due to rules applicable to individuals located outside of the United States, EverBank does not offer its products and services to businesses in the following circumstances: 1) If the business has any authorized signers or beneficial owners located in the following countries: Austria, Belgium, Bulgaria, Croatia, Republic of Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden and the United Kingdom; 2) If the business has any authorized signers who are not presently residents of the United States.

As a result, if the business meets either of these circumstances, please do not proceed with this form or provide us with any personal information of any authorized signer or beneficial owner, as EverBank will be unable to process your request.

To help the government fight financial crime, Federal regulation requires us to obtain, verify, and record information about the "Beneficial Owners" of business applicants. Businesses can be abused to disguise involvement in terrorist financing, money laundering, tax evasion, corruption, fraud, and other financial crimes. Requiring the disclosure of key individuals who own or control a legal entity (i.e., the beneficial owners) helps law enforcement investigate and prosecute these crimes.

As defined by relevant Federal regulation, "Beneficial Owners" are:

- (1) an individual with significant responsibility for managing the business (for example, a Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, President, Vice President, or Treasurer), and
- (2) individuals that directly or indirectly own 25% or more of the business.

For purposes of completing this form, the individual who satisfies (1) above is the "Control Person" and the individuals, if any, who satisfy (2) above are the "Beneficial Equity Owners".

The number of individuals that satisfy the government's definition of "Beneficial Owner" may vary. Under Section 5b, depending on the factual circumstances, up to four Beneficial Equity Owners (but as few as zero) may need to be identified. Regardless of the number of Beneficial Equity Owners identified under Section 5b, you must provide the identifying information of the one Control Person under Section 5a. It is possible that in some circumstances the same individual might be identified under both sections (for example, the President of Acme, Inc. who also holds a 30% equity interest). Therefore, to complete this Section 5, you must provide the identifying information of at least one individual under Section 5a, and up to five individuals in total (that is, the one Control Person under Section 5a and up to four Beneficial Equity Owners that directly or indirectly own 25% or more of the business under Section 5b).
