

Streamlined application

Current clients may use this simplified application to apply for any of our business banking deposit accounts as long as the authorized signer(s) and account title will be the same as your existing account(s). Complete this application online or by hand using blue or black ink. To apply for other accounts, visit us online at everbank.com.

EverBank, N.A. is an FDIC insured national bank. For FDIC insurance purposes, your deposits with EverBank are combined by FDIC ownership category with any other deposits you may have with EverBank through other means, such as by your participation in deposit placement services or sweep agreements with another financial institution.

While EverBank is committed to assisting limited English proficiency (LEP) clients and potential clients, account applications and agreements, disclosures, statements, notices, and other documents for our products and services, as well as all account opening, online banking, mobile applications, and other electronic systems provided by EverBank will be provided in English. As a result, it will be necessary for clients and potential clients to speak, read and understand English or to have an appropriate translator assisting them.

EverBank offers the following resources for LEP consumers: (1) Bilingual associates in certain financial centers and through our call centers. (2) Access to interpretive services through our call centers. (3) Limited ATMs with language-preference options.

For security purposes and to help the government fight terrorism and money-laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. For this reason, we will ask you for your name, address, date of birth, Social Security number or other Tax Identification Number, and other information that will allow us to identify you. We may also ask other questions or request other documents meant to verify your identity.
