4. Authorization to acquire metals

I direct EverBank, National Association ("EverBank") to use the funds debited each month to acquire an incremental unallocated interest in the metal marked above. I understand and agree that:

- EverBank will endeavor to acquire the unallocated metal within three business days of the Trade Date, although additional time may be required.
- The price paid for the metals each month will vary depending on the then current Customer Price.¹
- EverBank will make no attempt to time the acquisition (whether between days or intra-day) in an effort to obtain a better price on my behalf. EverBank will acquire the metals each month at a date and time conducive to its internal operations, without regard to price or market fluctuation.
- This plan is not appropriate for all people and EverBank has made no recommendation that this plan, or the acquisition of metals herein, is either appropriate or suitable for me.

1. When selling or purchasing metals to or from you, we will offer a Customer Price that is within 1% of the Wholesale Price. The Wholesale Price is the price at which we determine we are able to buy or sell metals at a specific point in time. Exceptions may occur if EverBank agrees in its sole discretion to lock in your price before the transaction. The Wholesale Price is determined by EverBank on a transaction-by-transaction basis and varies with the applicable wholesale trading market. Wholesale Prices are not published or publicly available. For more information about EverBank's precious metals pricing, please see the Specific Terms—Metals Select® Accounts section in your Account Terms, Disclosures and Agreements Booklet.
