4. Authorization to purchase currencies

I direct EverBank, National Association ("EverBank") to use the funds debited each month to purchase an incremental amount of the foreign currency marked above. I understand and agree that:

- EverBank will endeavor to purchase the foreign currency within two business days of the Trade Date, although additional time may be required.
- The price paid for the foreign currency each month will vary depending on the then current Customer Exchange Rate.¹

1. The Customer Exchange Rate will be within 1% of the Wholesale Rate for the selected foreign currency. The Wholesale Rate is a market price that we determine is available to us in the Wholesale Market for a specific Foreign Currency at a specific point in time. Exceptions may occur if we agree, in our sole discretion to lock in your rate before the transaction. The Wholesale Rate is determined by EverBank on a transaction-by-transaction basis and varies with the applicable wholesale trading market. Wholesale Rates are not published or publicly available. You are not obligated to conduct Currency Exchange transactions with EverBank. For more information about our Exchange Rates, please see the Specific Terms-WorldCurrency[®] Deposit Accounts section in the Personal Account Terms, Disclosures and Agreements Booklet.

- EverBank will make no attempt to time the purchase (whether between days or intra-day) in an effort to obtain a better price on my behalf. EverBank will purchase the foreign currency each month at a date and time conducive to its internal operations, without regard to price or market fluctuation.
- EverBank reserves the right to terminate my participation in this plan at any time and, upon such termination, will not make any further foreign currency purchases on my behalf under it.
- This plan is not appropriate for all people and EverBank has made no recommendation that this plan, or the purchase of foreign currency herein, is either appropriate or suitable for me.

- The authority provided in this document will remain in effect until I notify EverBank to terminate the authority and give EverBank reasonable opportunity to act on the notice of termination. If I instruct EverBank to change the amount, frequency or date of the electronic debit, I waive the right to receive notice of the change.
