**SUPERFAN EXTENDED
EPISODES**

Debuts with 194 Extended Episodes with Over 25 Hours of Unaired* Footage.
Available for the first time ever on Digital and Blu-ray™ starting July 14, 2026

Universal City, California, May 6, 2026 – One of the most celebrated sitcoms in television history returns in its most complete and ultimate form ever with ***THE OFFICE: THE COMPLETE SERIES – SUPERFAN EXTENDED EPISODES***, available on Digital platforms and Blu-ray™ beginning July 14, 2026, from Universal Pictures Home Entertainment. Spanning 194 expanded episodes, this all-new collection reconstructs every installment of the landmark series with additional footage per episode, delivering more than 25 hours of unaired* material. It’s the ultimate version of *The Office*—bigger, longer, and more uncomfortably hilarious than ever before. Widely regarded as one of the biggest and most influential sitcoms of all time, *The Office* transformed workplace comedy and became a cultural phenomenon, launching iconic characters, endlessly quotable moments, and a devoted global fanbase that continues to grow. Now, audiences can experience the series with extended scenes, deeper character moments, and jokes that were never seen during its original broadcast. Developed for American television by Emmy® Award-winning creator Greg Daniels, alongside the original creative team, the Superfan Extended Episodes offer fans more insight into the day-to-day dysfunction at Dunder Mifflin Paper Company.

Get ready to work overtime with ***THE OFFICE: THE COMPLETE SERIES – SUPERFAN EXTENDED EPISODES*** featuring over 25 hours of unaired* footage woven into the original broadcast episodes! Join Michael Scott (Steve Carell), Dwight Schrute (Rainn Wilson), Jim Halpert (John Krasinski), Pam Beesly (Jenna Fischer) and the rest of the employees at Scranton’s most infamous paper company, Dunder Mifflin, as they have the ups and downs of their everyday work lives chronicled documentary style. Developed for American television by Primetime Emmy® Award winner Greg Daniels, he and the original creative team behind the show have expanded and reconstructed every single episode in the series to bring you “The Office” like you’ve never seen it before!

*During initial TV broadcast run.
