

Thrifty YourRide Subscription Terms and Conditions

Your **Subscriber Contract** is made up of the documents listed in clause 1.1(b).

1. Your agreement and how YourRide works

1.1 Your agreement with Thrifty

- (a) Your **Subscriber Contract** starts when Thrifty provides you a **Booking Confirmation**.
- (b) Your **Subscriber Contract** includes the details and terms in:
 - i. your **Subscription Tier**;
 - ii. these **Thrifty YourRide Subscription Terms and Conditions**;
 - iii. your **Booking Confirmation**;
 - iv. your **Rental Agreement**;
 - v. the **Thrifty Terms and Conditions of Rental** accessible here: [Thrifty Terms & Conditions of Rental](#)
 - vi. the **Thrifty Privacy Policy** accessible here: [Thrifty Privacy Policy](#); and
 - vii. any other YourRide booking terms you accept before your subscription is confirmed.
- (c) If two documents deal with the same issue differently, the more specific document applies. Generally:
 - i. your Subscription Tier, Booking Confirmation and Rental Agreement apply first to your plan details;
 - ii. these Subscription Terms apply first to YourRide-specific matters; and
 - iii. the Thrifty Terms and Conditions of Rental apply to general vehicle rental matters, unless these Subscription Terms say something different.
- (d) Nothing in the Subscriber Contract limits any right or remedy you have that cannot lawfully be excluded, restricted or modified, including under the Australian Consumer Law.

1.2 Interpretation

In these Subscription Terms, unless the context requires otherwise:

- i. “you” and “your” mean the subscriber under the Subscriber Contract;
- ii. a day or month means a calendar day or calendar month;
- iii. writing includes email, SMS, online portal notices and other electronic communications accepted or used by Thrifty;
- iv. dollar amounts are in Australian dollars;
- v. examples are included to help explain a clause and do not limit the clause; and
- vi. headings are included to help you read the document and do not change the legal meaning of the clauses.

1.3 How YourRide works

- (a) Thrifty YourRide is a vehicle subscription and mobility service package. It gives you access to a **Vehicle** from your selected **Subscription Tier** during the **Subscription Term**, together with the included services and benefits stated in your Subscription Tier and these Subscription Terms.
- (b) You subscribe to a Subscription Tier, not a particular Vehicle.
- (c) YourRide gives you access to a Vehicle. It does not give you ownership of, a security interest in, or a right to buy, any Vehicle.

1.4 Eligibility

- (a) You and each Authorised Driver must meet the **YourRide Eligibility Requirements** before using the Vehicle and throughout the Subscription Term.

(b) Thrifty may carry out identity, licence, payment, fraud-prevention and other eligibility checks before accepting a booking, activating a subscription, approving a driver or releasing the Vehicle.

1.5 Who may drive the Vehicle

(a) Only you, and the spouse or domestic partner described in clause 1.5(b), may operate the Vehicle.

(b) Your subscription includes one additional Authorised Driver only: your spouse or domestic partner who lives at the same address as you, meets the YourRide Eligibility Requirements, and is approved and recorded by Thrifty before they drive.

(c) You are responsible for your additional Authorised Driver's use of the Vehicle. You must:

- i. not give the Vehicle keys or access device to any person who is not an Authorised Driver;
- ii. ensure your additional Authorised Driver understands and complies with the **Subscriber Contract**;
- iii. ensure your additional Authorised Driver provides any licence or identification Thrifty reasonably requires; and
- iv. be able to identify the driver/operator of the Vehicle at any time if Thrifty asks you.

1.6 Booking, acceptance and activation

(a) Thrifty's advertising of YourRide invites you to request a subscription. It is not an offer to provide a Vehicle.

(b) You can request a subscription through Thrifty's online enquiry form or another process Thrifty makes available.

(c) Thrifty may, acting reasonably, accept or decline a subscription request, including because of vehicle availability, eligibility, payment, fraud-prevention or operational requirements.

(d) Your Subscriber Contract is formed when Thrifty confirms your subscription.

(e) Thrifty does not have to release the Vehicle until you have completed check-in, met the YourRide Eligibility Requirements and paid all amounts due before collection.

(f) Before collection, you must complete Thrifty's online check-in and provide any information Thrifty reasonably requires to activate your subscription.

1.7 What happens if you cancel before collection or do not collect the Vehicle

If this happens	What you will pay
You cancel more than seven (7) days before the Collection Date .	No cancellation fee applies.
You cancel seven (7) days or less before the Collection Date .	Thrifty may charge a \$200 cancellation fee.
You do not collect the Vehicle within seven (7) days after the Collection Date .	Your Subscriber Contract ends. Thrifty may retain 50% of the first month's Subscription Fee .

Refunds: If Thrifty has charged any amount before collection, Thrifty will refund any balance owing to you within a reasonable time after working out the final amount payable, less any cancellation fee, retained amount or other amount you owe under the **Subscriber Contract**.

2. What you pay, what is included, and when we charge you

2.1 What you must pay

(a) You must pay:

- i. your **Subscription Fee**;
- ii. the **Security Deposit**;
- iii. any **Optional Extras** you select; and
- iv. any other charges that apply under the **Subscriber Contract**.

(b) Your **Subscription Tier**, **Booking Confirmation**, **Rental Agreement**, **Appendix 1 – Fee Schedule** and the **Thrifty Terms and Conditions of Rental** explain the amounts you must pay, when they are due and how they may be charged.

2.2 What your Subscription Fee includes and does not include

Unless your **Subscription Tier** says otherwise, your **Subscription Fee** includes and does not include the following:

Included in your Subscription Fee	Not included in your Subscription Fee
24-hour emergency roadside assistance.	Fuel and EV charging.
Full vehicle registration.	Tolls, fines, infringements, parking charges and related administration, processing or service fees, as explained in clause 3.2.
Scheduled servicing and maintenance.	Cleaning and damage charges.
Collision Damage Waiver.	Optional Extras , unless your Subscription Tier states that they are included.
One additional Authorised Driver approved under clause 1.5(b).	Any other amount you owe under the Subscriber Contract .
The kilometre allowance stated in your Subscription Tier , as explained in clause 3.1.	

2.3 When we charge you

(a) Unless your **Subscription Tier** says otherwise, Thrifty will charge your nominated payment method:

- i. 2 days before the **Collection Date**, for the first month's **Subscription Fee**, the **Security Deposit**, any **Optional Extras** and any one-off fees; and
- ii. monthly in advance, with each monthly billing period starting on the date you collect the Vehicle, for ongoing **Subscription Fees** and any ongoing **Optional Extras**.

(b) Thrifty may send invoices and receipts electronically. You must keep a valid payment method on file, authorise Thrifty to charge that payment method for amounts you owe, and promptly update your payment details if they change.

2.4 What happens if we cannot process your payment

(a) If Thrifty cannot process a payment when it is due, Thrifty will ask you to pay the amount owing, update your payment method, or both.

(b) If you do not fix the issue within the reasonable time Thrifty gives you, Thrifty may, acting reasonably:

- i. pause YourRide services;
- ii. refuse a Subscription Tier change;
- iii. require you to return the Vehicle; or
- iv. end your subscription under clause 7.3.

(c) Thrifty may act sooner if immediate action is reasonably required to protect Thrifty, the Vehicle or any person.

2.5 How the Security Deposit and Optional Extras work

(a) Thrifty charges the **Security Deposit** before collection and holds it as security for amounts you owe under the **Subscriber Contract**.

(b) Thrifty may apply the **Security Deposit** only to amounts you owe under the **Subscriber Contract**.

Thrifty will refund any remaining balance within a reasonable time after the Vehicle is returned and final amounts owing are calculated. If the Subscriber Contract ends before collection, clause 1.7 applies instead.

(c) Optional Extras are available only if Thrifty offers and approves them. Unless Thrifty agrees otherwise, you cannot add, remove or change an Optional Extra after Booking Confirmation or during the Subscription Term.

3. Kilometres, tolls, fines and parking charges

3.1 Your kilometre allowance

- (a) Your subscription includes the kilometre allowance stated in your **Subscription Tier**. For standard tiers, this is currently 1,800 kilometres for each monthly billing period.
- (b) Your kilometre allowance starts when you collect the Vehicle and resets at the start of each monthly billing period. Unless your **Subscription Tier** says otherwise, unused kilometres do not carry over to the next monthly billing period.
- (c) If you drive more than your kilometre allowance, Thrifty may charge you for the extra kilometres monthly and/or when your subscription ends, at the rate stated in **Appendix 1 – Fee Schedule**.

3.2 Tolls, fines, infringements and parking charges

- (a) You are responsible for any tolls, fines, infringements, parking charges, private parking invoices and similar charges that relate to the Vehicle while it is allocated to you or otherwise in your possession or control, unless Thrifty has approved another arrangement in writing.
- (b) If Thrifty receives, pays, processes or otherwise deals with a charge covered by this clause, Thrifty may charge you:
 - i. the amount of the charge; and/or
 - ii. any applicable administration, processing or service fee under the **Thrifty Terms and Conditions of Rental** or the terms of any toll service product you choose to purchase from Thrifty.
- (c) Nothing in this clause 3.2 prevents you from registering the Vehicle to your own toll account or using your own toll pass or E-tag. If you do, you are responsible for ensuring that any link between the Vehicle and your toll account, toll pass or E-tag is removed before the Vehicle is returned or exchanged. Thrifty is not responsible for any toll charges billed to your account because you did not remove that link.

4. Collecting and returning the Vehicle

4.1 Collecting your Vehicle

- (a) Collect the Vehicle at the agreed time and place, and follow Thrifty's collection, handover and inspection requirements.
- (b) You and each Authorised Driver must present a current, valid and unrestricted driver licence, plus any other identification Thrifty reasonably requires. If you cannot provide these documents, Thrifty does not have to release the Vehicle.

4.2 Returning your Vehicle

- (a) Unless Thrifty agrees otherwise, you must return the Vehicle at the agreed time, during Thrifty's operating hours and at the designated return location. After-hours returns are not accepted unless Thrifty agrees in writing.
- (b) You must be present so the Vehicle's condition can be documented, return all keys, accessories and equipment, and follow any return instructions Thrifty gives.
- (c) On return, you are responsible for the following costs, in accordance with the Thrifty Terms and Conditions of Rental, your Subscription Tier and the Rental Agreement:
 - (i) fuel and, if the Vehicle is returned with less than a full tank, refuelling charges at the applicable Thrifty refuelling service price;
 - (ii) if applicable, EV charging and other EV-related fees noted in the Rental Agreement; and
 - (iii) any tolls, fines, infringements and related fees under clause 3.2.
- (d) After the Vehicle is returned, Thrifty may inspect it and calculate any final amounts owing.
- (e) If you do not return the Vehicle when required, Thrifty may recover it and charge you reasonable recovery costs, a daily pro-rata amount of the Subscription Fee for each day or part day until the Vehicle is returned or recovered, and any other amounts you owe. Thrifty may also report the Vehicle as not returned, stolen or unlawfully retained to the police or another authority where Thrifty reasonably considers it appropriate.

5. Vehicle exchanges and tier changes

5.1 Vehicle allocation and exchange by Thrifty

- (a) Thrifty will allocate a Vehicle when your subscription starts and may exchange or replace the Vehicle during the Subscription Term as part of managing the YourRide fleet.
- (b) Thrifty may exchange or replace the Vehicle for any reasonable business or operational reason, including availability, manufacturer holding periods, kilometre limits, servicing, maintenance, safety, registration, recalls, fleet rotation, resale requirements or other operational considerations.
- (c) Any replacement Vehicle will be from the same Subscription Tier and will not materially reduce the benefits included in your Subscription Tier, unless you and Thrifty agree otherwise.
- (d) You must make the Vehicle available for exchange or replacement when Thrifty reasonably notifies you. Thrifty will try to give at least 7 days' notice of an exchange or replacement, unless urgent safety, maintenance, legal or operational reasons require a shorter period.
- (e) An exchange or replacement under this clause 5.1 does not restart or extend the Minimum Subscription Term or Subscription Term, unless Thrifty agrees otherwise in writing. This does not affect clause 5.2(b), which applies if Thrifty approves a change to your Subscription Tier.

5.2 Tier changes you request

- (a) You may ask to move to a different Subscription Tier, subject to availability, Thrifty's approval and any change in Subscription Fee.
- (b) If Thrifty approves a change to your Subscription Tier, the change starts only when Thrifty confirms it in writing. Unless Thrifty agrees otherwise, the change ends your current Subscriber Contract and starts a new Subscriber Contract for the new Subscription Tier. The new Subscriber Contract will have a new Minimum Subscription Term, and the pricing, fees, kilometre allowance, included benefits, Loss Damage Liability, Security Deposit and other tier-specific terms for that Subscription Tier will apply from the start date confirmed by Thrifty.
- (c) If Thrifty approves a tier change, you must cooperate and make the Vehicle available as reasonably required.

6. Looking after the Vehicle, servicing and damage

6.1 Condition reporting and inspections

- (a) During the Subscription Term, Thrifty may reasonably ask you for information about the Vehicle — including its condition, location, odometer reading, fuel or charge level, service requirements, defects, warning lights and damage (**Condition Information**).
- (b) Thrifty will not ask more than once in any 30-day period for Condition Information unless more frequent information is reasonably required.
- (c) You must make the Vehicle available for inspection, exchange or safety-related work when Thrifty reasonably requires it.

6.2 Servicing and faults

- (a) You must make the Vehicle available for servicing, maintenance or repair at the location and time reasonably notified by Thrifty, including for manufacturer logbook servicing.
- (b) You must contact Thrifty promptly when the Vehicle is due for servicing or if there is any fault, breakdown, dashboard warning light, accident, theft, loss or damage.
- (c) If you do not act promptly, or if you ignore dashboard warning lights or service requirements, this is a Prohibited Use. The Collision Damage Waiver may not apply, and you may be liable for any resulting loss or damage, to the extent permitted by law.
- (d) Thrifty is not required to provide a substitute vehicle while the Vehicle is unavailable for servicing, maintenance or repair, unless Thrifty agrees, the unavailability is due to Thrifty's fault, or the law requires it.

6.3 Damage, loss, theft and your liability

(a) The Thrifty Terms and Conditions of Rental explain your liability to Thrifty if the Vehicle is damaged, lost or stolen. The table below summarises the key points.

Topic	What it means
Included protection	Collision Damage Waiver is included in your Subscription Fee. It caps your liability for each incident of loss or damage to the Vehicle at the standard Loss Damage Liability — currently \$5,900 per incident .
Optional protection	If you purchase an Optional Renter Protection Service , your Loss Damage Liability is reduced — currently to \$1,500 per incident .
When included protection and optional protection may not apply	Collision Damage Waiver and an Optional Renter Protection Service may not apply and you may be liable for the full loss or damage, if the loss or damage is caused or contributed to by a Prohibited Use or another exclusion in the Thrifty Terms and Conditions of Rental applies.

(b) If you do not comply with this clause 6, you may be liable for any resulting loss, damage, costs or charges, to the extent permitted by law.

6.4 Commercial passenger services

(a) You must not use the Vehicle or allow it to be used for the commercial carriage of passengers, including rideshare, taxi, hire-car, chauffeur or similar passenger transport services, unless Thrifty has approved that use in writing.

(b) This restriction applies in addition to any other Prohibited Use or other restriction in the Thrifty Terms and Conditions of Rental.

7. Subscription term, renewal and termination

7.1 Subscription Term

(a) Your Subscription Term begins on the **Collection Date**.

(b) The initial Subscription Term is the minimum subscription period stated in your Subscription Tier, Rental Agreement or Booking Confirmation (**Minimum Subscription Term**). Unless your Subscription Tier, Rental Agreement or Booking Confirmation specifies otherwise, the Minimum Subscription Term is 90 days.

(c) The Minimum Subscription Term runs continuously from the **Collection Date**, regardless of any Vehicle exchange or replacement that occurs during that period.

7.2 Renewal and non-renewal

(a) Either you or Thrifty may give written notice that the **Subscriber Contract** will end at the end of the current **Minimum Subscription Term** or **Renewal Term**.

(b) The notice must be received at least 14 days before the current term expires.

(c) If neither party gives notice under this clause, the **Subscriber Contract** automatically renews at the end of the current term for a further one-month **Renewal Term**, on the same terms and conditions, unless clause 7.5 applies.

(d) Renewal is not guaranteed. Thrifty is not required to renew, extend or continue the **Subscriber Contract** beyond the end of the current **Minimum Subscription Term** or **Renewal Term**.

7.3 Ending the Subscription during a current term

Thrifty's termination rights

(a) Thrifty may end the **Subscriber Contract** immediately by written notice only if a serious issue occurs, including if:

- i. you engage in a Prohibited Use;
- ii. you abandon the Vehicle, refuse to return it or refuse to make it available when required under the Subscriber Contract;
- iii. you provide false, misleading or fraudulent information to Thrifty;

- iv. your use of the Vehicle creates a material risk to Thrifty, the Vehicle or any person; or
- v. immediate termination is reasonably necessary to protect Thrifty, the Vehicle or any person.

(b) Thrifty may also end the **Subscriber Contract** by written notice if:

- i. you commit a material breach of the **Subscriber Contract**;
- ii. you fail to pay an amount owing when due;
- iii. you fail to maintain a valid payment method;
- iv. you fail to comply with servicing, maintenance, inspection or condition reporting requirements;
- v. you fail to report material damage, loss, theft, an accident or a material defect affecting the Vehicle;
or
- vi. you otherwise fail to comply with the **Subscriber Contract**.

(c) Before ending the **Subscriber Contract** under clause 7.3(b), Thrifty will give you written notice of the issue and a reasonable opportunity to remedy it, if the issue is capable of remedy, unless immediate termination is reasonably required in the circumstances.

Your termination rights

(d) You may end the Subscriber Contract by written notice if:

- i. Thrifty commits a material breach of the Subscriber Contract and does not remedy that breach within a reasonable time after receiving written notice from you;
- ii. the Vehicle becomes unsafe or unlawful to drive and Thrifty does not provide a reasonable remedy within a reasonable time;
- iii. Thrifty has a prolonged failure to provide the YourRide services required under the **Subscriber Contract**; or
- iv. you otherwise have a right to terminate under applicable law.

(e) Nothing in the Subscriber Contract limits any right or remedy that cannot lawfully be excluded, restricted or modified.

Effect of termination

(f) If the **Subscriber Contract** ends under this clause:

- i. you must return the Vehicle at the time and place reasonably directed by Thrifty;
- ii. Thrifty must refund any prepaid **Subscription Fee** attributable to the period after the effective termination date, less any amounts you owe under the **Subscriber Contract**; and
- iii. each party remains liable for obligations and amounts that accrued before termination.

7.4 Changes before renewal

(a) Thrifty may change a Subscription Tier for a future Renewal Term, including its pricing, fees, kilometre allowance, included benefits, vehicle categories, eligibility requirements or other features.

(b) If Thrifty proposes changes that will apply to a future **Renewal Term**, Thrifty will notify you as soon as reasonably practicable before that **Renewal Term** starts, so you can decide whether to continue your subscription.

(c) Changes under this clause apply only to the future **Renewal Term**, unless you and Thrifty agree otherwise or the change is permitted under clause 9.1.

(d) Thrifty may require you to enter into a new **Subscriber Contract** before the next **Renewal Term** starts to reflect the then-current pricing, **Subscription Tier** and subscription terms.

(e) If you do not agree to the proposed changes, or do not enter into any replacement **Subscriber Contract** reasonably required by Thrifty, the **Subscriber Contract** will end at the end of the current **Minimum Subscription Term** or **Renewal Term**.

7.5 Maximum Subscription Period

(a) Despite any other provision of the **Subscriber Contract**, your **Subscription Term**, including the **Minimum Subscription Term** and all **Renewal Terms**, must not continue for more than 360 consecutive days from the **Collection Date**.

(b) The **Subscriber Contract** automatically ends at the end of that 360-day period, without either party needing to give further notice.

(c) You must return the Vehicle at the time and place reasonably directed by Thrifty when the Subscriber Contract ends under this clause.

(d) If you want to continue using YourRide after that period, you must apply for a new subscription and enter into a new **Subscriber Contract**.

(e) Thrifty is not required to offer, renew or continue a subscription after that period. Any new subscription may be offered on different pricing, fees, **Subscription Tier** terms or other contractual terms.

8. Information, privacy and communications

8.1 Privacy and your information

(a) Thrifty handles your personal and credit information under the Thrifty Privacy Policy, the privacy and credit notice in the Thrifty Terms and Conditions of Rental, and any other applicable privacy or credit disclosures.

8.2 Vehicle monitoring

(a) The Vehicle may contain GPS, telematics or similar Vehicle Monitoring Systems.

(b) Thrifty may collect, use and disclose information from those systems to manage your subscription, locate and recover the Vehicle, check odometer readings, arrange servicing and maintenance, investigate accidents, damage, theft or misuse, manage tolls and infringements, and protect Thrifty, the Vehicle and other people. Thrifty will handle this information under the Subscriber Contract, the Thrifty Privacy Policy and applicable law.

8.3 Electronic communications

(a) Thrifty may give you notices and communications electronically, including by email, SMS or online portal notification.

9. Changes to YourRide and these terms

9.1 Changes to YourRide or these Subscription Terms

(a) Thrifty may make reasonable changes to YourRide or these Subscription Terms on reasonable written notice where the change is reasonably required and proportionate to a legitimate commercial purpose. Legitimate commercial purposes include changes to law, safety, vehicle availability, operational requirements, systems, product features or costs. Thrifty will tell you what is changing and when the change starts.

(b) In relation to any change:

- i. a change will not apply retrospectively to increase amounts you have already become liable to pay;
- ii. if a change would disadvantage you in more than a minor way, Thrifty will tell you about your right to end the Subscriber Contract before the change takes effect;
- iii. if you end the Subscriber Contract because of that change, you must return the Vehicle as directed by Thrifty, and you will not have to pay an early termination fee for the period after the Vehicle is returned; and
- iv. a change to the name of YourRide, a Subscription Tier or any other product, service or package name does not, by itself, give either party a right to end the Subscriber Contract or require a formal variation. This applies only if the change does not materially alter either party's rights or obligations.

10. General

10.1 Transfers and assignment

(a) You may not transfer your rights or obligations under the Subscriber Contract without Thrifty's written consent. Thrifty may transfer its rights or obligations, provided this does not reduce your rights under the Subscriber Contract or the Australian Consumer Law.

10.2 Governing law

(a) The Subscriber Contract is governed by the laws of the State or Territory in which the Vehicle is collected, and you and Thrifty submit to the courts of that State or Territory.

10.3 Complaints

(a) If you have a concern or complaint about YourRide, please contact Thrifty customer service on 1800 550 078 so Thrifty can try to resolve it. This does not limit your rights under the Australian Consumer Law or any other applicable law.
