

Making the switch to Needles Neos

Why change now?

Don't let the data conversion process discourage your firm from making the business decision to partner with the leading legal case management technology provider. Our experienced team is here to guide you every step of the way and ensure your end result is well worth making the change.

The Needles Neos advantage:

Customer testing

End users conduct acceptance testing to validate the work was done properly.

Speed to minimize down time

From converting hundreds of firms, we have the experience and processes in place to get you up and running quickly and effectively.

Experienced, dedicated support

Our team of data specialists exclusively work to convert firms from their outdated or ineffective solutions onto ours.

Customization

Our team ensures you have the necessary customization so you can get up and running as quickly as possible.

Our track record:

In the past two years alone,
we've completed **over 150**
data conversions

We have converted
customers from **over 30**
competitors to our solutions

For nearly four decades, Needles has been the most trusted name in case management. Needles Neos is our new web-based solution, taking what firms love about our technology, and reimagining it. With a modern, web-based interface, enhancements, and new features, Needles Neos helps firms achieve excellence, through solving the complex needs of today's firms.
