Morningstar Research Services' analyses are prepared by the person(s) noted in their capacity as an analyst for Morningstar's Research group. The Research group consists of various Morningstar, Inc. subsidiaries. In the United States, that subsidiary is Morningstar Research Services. The opinions expressed are given in good faith, are as of the date of the analysis and are subject to change without notice. The analysis is statements of opinions, not statements of fact.

Morningstar believes its analysts make a reasonable effort to carefully research information contained in the analysis. The information on which the analysis is based has been obtained from sources believed to be reliable. While data, statistics, and information are obtained from sources we believe to be reliable, Morningstar does not perform an audit or seeks independent verification of any of the data, statistics, and information it receives. Unless otherwise noted, analyses may only be used in the United States.

Morningstar's analyses have no regard to the specific investment objectives, financial situation or needs of any specific recipient. Our analyses are intended to provide information to assist investors in making their own investment decisions, not to provide investment advice to any specific investor. Therefore, investments discussed, and recommendations made herein may not be suitable for all investors: recipients must exercise their own independent judgment as to the suitability of such investments and recommendations in the light of their own investment objectives, experience, taxation status, and financial position.
