- Players are encouraged to take screenshots of their scores for evidence to provide the administration.

4.3 Tournament Stages

- A coin flip determines which Player hosts

The coin flip will determine which team wins or loses the flip based on team name in alphabetical order.

After each game a player may take a maximum of three minutes to join the next game.

4.6 Pausing

Each team has the right to pause the game for a short duration, if a player announces it at least three seconds in advance and calls a coherent reason. The game must not be resumed before both teams agree to do so. A team is seen to agree when any one of the players from that team states that they are ready. The longest a game can be paused is 10 minutes, at which point the game must be resumed, except at the discretion of the Tournament Officials.
