

## California “Covered Battery-Embedded Product” (CBEP)

This information applies only to “SONICWALL” brand TZ Series, NSa Series, NSsp Series, SMA Series, ESA Series.

SonicWall makes no assertions that any SonicWall reseller is in scope of California laws requiring “retailers” to collect tax on product sold with CBEP. SonicWall reseller must determine from their own subject matter experts if, when and how to meet the California law in this regard.

This statement is provided to **support California retailers that sale SonicWall products.**

SonicWall Products shown below are Covered Battery-Embedded Product (CBEP).

- Contain Lithium Metal, non-rechargeable coin/button cell battery.
- The battery is intended to perform its function for the design life of the product.
- Instructions provided with the product and online clearly show battery is not user replaceable and must be returned to the factory for replacement.

CBEP Brand Name*	CBEP Model Number*	Universal Product Code (UPC)	Battery Form	Battery Chemistry	Covered or Exempted Device*	CBEP Category Description (CBEP category suggestions presented here do not reflect manufacturer determinations regarding covered products, nor are they considered CalRecycle product determinations.)
