

## SonicWall's REACH Article 33 obligation Disclosure of Substance of Very High Concern (SVHC)

Under Article 33 of EU REACH Regulation (1907/2006), SonicWall has a duty to communicate to our customers the presence of SVHCs in excess of 0.1% by weight of articles (as defined by Court of Justice of the European Union Case C-106/14) contained in our products.

SonicWall has reviewed its **SonicWave 432o, SonicWave 681, SonicWave 641, SonicWave 621** (includes components and accessories for these products that are sold separately) for the presence of SVHC substances on the most recent EU SVHC Candidate List as of 27 June 2024.

The most up to date substance list can be found at the following link: https://echa.europa.eu/candidate-list-table

No SVHC were found to be present in excess of 0.1% except as noted below. This determination is based on engineering evaluation and supplier declarations, and is correct to the best of SonicWall's knowledge.

SHVC in excess of 0.1% by weight of articles

Lead	CAS# 7439-92-1	Brass, Aluminum, Steel components, high
	EC# 231-100-4	temperature solder
Dodecamethylcyclohexasiloxane	CAS 540-97-6	silicone washers, gaskets, seals, tubes,
	EC# 208-762-8	wires, O-rings, and similar silicone
		components
2,2',6,6'-tetrabromo-4,4'-	CAS# 79-94-7	May be present in Flame retarded plastic
isopropylidenediphenol,	EC# 201-236-9	
Tetrabromobisphenol A (TBBPA)		
2-benzotriazol-2-yl-4,6-di-tert-	CAS 3846-71-7	UV stabilized plastic (outdoor plastic,
butylphenol (UV-320)	EC# 223-346-6	light pipes etc.)
Diazene-1,2-dicarboxamide (C,C'-	CAS# 123-77-3	plastic polyethylene, foams
azodi(formamide)) (ADCA)	EC# 204-650-8	
Tris(4-nonylphenyl, branched and	CAS# 3050-88-2	May be present in poly bags and films
linear) phosphite (TNPP)	CSA# 26523-78-4	

SonicWall is not aware of any SonicWall product that requires Registration and Notification under **REACH Articles 6 and 7**.

Sincerely yours,

Signed 18JUL2024
