

December 3, 2024

By way of this document, SonicWall Inc. declares our products placed on the European market comply with the requirements of Regulation (EU) 2023/988, General Product Safety Regulation (GPSR).

In particular:

1. Per Article 2(1), Article 7(1)(a) SonicWall products and accessories conform with relevant European standards specific requirements set out in Directive 2014/35/EU Low Voltage Directive (LVD) and 2011/65/EU Restriction of use of certain Hazardous Substances (RoHS). Product declaration for EUs' CE mark can be found at <https://www.sonicwall.com/legal/environmental-regulatory-affairs>.
2. SonicWall products are not sold to the general public or for general consumer use.
 - In the event a consumer per Article 3(17) incidentally possesses a SonicWall product or accessory, the safety standards noted in 1 above, take it into account requirement for (EU) 2023/988.

The technical documentation supporting this declaration (including certificates and environmental assessments) is available and can be provided upon request.

Sincerely yours,

Rick Linford / Regulatory Manager
