# Joinder Agreement

In consideration of the benefits to accrue to me by virtue of the execution and delivery of the Baptist Physician Partners Agreement for Participation in Clinical Integration Program (the "Agreement") between Baptist Physician Partners, LLC ("BPP") and (the "Group") dated (the "Group Effective Date"), the undersigned hereby acknowledges and agrees that:

1. I have read and understand the Agreement and I shall be bound by the terms and conditions of the Agreement pertaining to the Group's Providers, including but not limited to the terms and conditions set forth in Sections 2, 3, 5 and 6 thereof;
2. BPP may immediately terminate my status as a participating provider in BPP's Clinical Integration Program at any time (i) in the event that BPP determines that any information submitted by me in my Participating Provider Application is false, (ii) pursuant to BPP's remediation policies or for any violation by me of BPP's other policies or the terms of the Agreement or this Joinder Agreement, or (iii) if I no longer maintain medical staff privileges at any of the Baptist Hospitals;
3. I understand that my participation in BPP's Clinical Integration Program is contingent upon my remaining an employee or under contract with Group. Accordingly, without limiting my obligations under Section 4 below, my participation in BPP's Clinical Integration Program will automatically expire upon the date that my employment or contractual relationship with Group ceases for any reason. If I desire to participate in BPP's Clinical Integration Program after my employment or contractual relationship with Group ceases, then I will have to reapply for participation in BPP's Clinical Integration Program.
4. In the event that a BPP Clinically Integrated Purchaser Contract mandates that Purchaser's beneficiaries are treated by BPP providers who are participating in BPP's Clinical Integration Program, upon the termination or expiration of my participation in BPP's Clinical Integration Program, I will work collaboratively to transition such patients to another BPP participating provider in a safe and orderly manner, and
5. Pursuant to Section 9.d. of the Agreement, any Baptist Physician Partners Agreement for Participation in Clinical Integration Program with BPP executed by me previously shall be terminated on the Group Effective Date.
