

## EYEMED MOBILE APP

# On the go? Now your benefits are, too.

ACCESS YOUR BENEFIT INFORMATION, ANYTIME, ANYWHERE.

Our EyeMed Mobile App brings you features to help you get the most from your EyeMed experience – anytime, anywhere.

### The features you love

- See benefits information at-a-glance
- Track your claims
- See special offers to help you save more
- Find an in-network eye doctor with the Provider Locator
- Gently shake your mobile device to quickly view your ID card
- Set upcoming exam and contact lens replacement reminders
- Get answers to your FAQs
- Access interactive vision guides to help you see and live your best
- Use Facial recognition, Touch ID and Apple Wallet for Apple users

Check out the [App Store](#) or [Google Play](#) to download the app.
