

Physician Preference Guide (PPG)

Welcome to the Physician Preference Guide. The Physician Preference Guide is a self-service tool that allows physicians to manage and update their admission and specialty preferences. Physicians are responsible for updating and maintaining their own information in the PPG.

Here are instructions to help you in the process. In the Corewell secure environment, you must be logged into a Corewell device to use the PPG.

Login from an Office or Home Computer

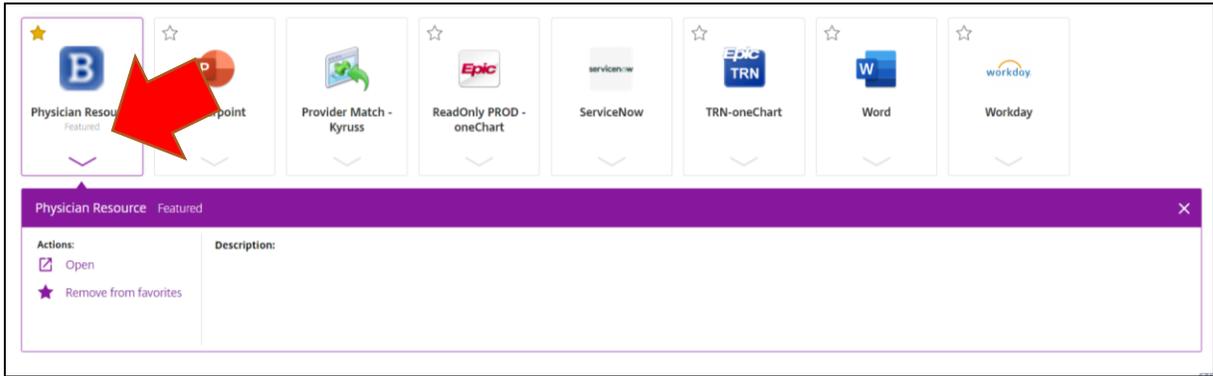

Due to security issues, there are extra steps to login from a non-Corewell device.

You will need to authenticate using PING on your phone.
If you have not downloaded PING, please consult the Provider website at
<https://providers.beaumont.org/pingid>.

1. **Open your preferred web browser.** Visit <https://bhapps.beaumont.org/>.
2. **Log into BHAPPS using your Corwell ID.** If you do not know your Corewell ID, please contact the Help Desk at 888-481-2448.
3. **Under the APPS screen, find and click on the Physician Resource box.**

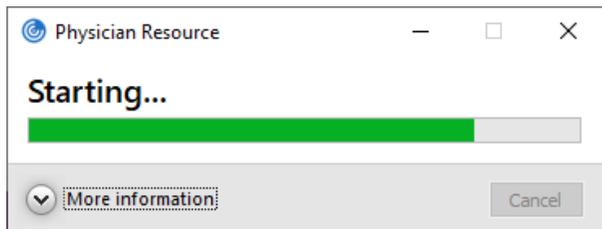

4. Click on the down arrow in the Physician Resource box.

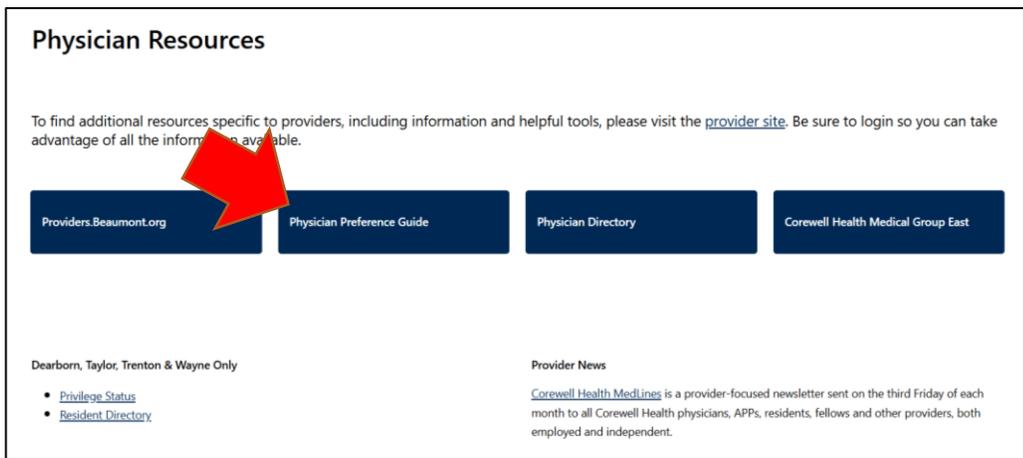

5. Click on Open in that drop-down box.

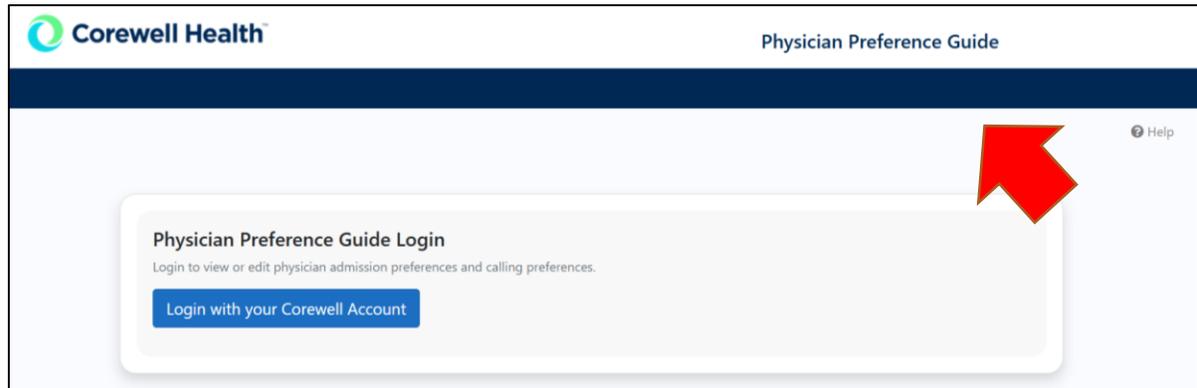

6. An .ica file will download. Depending on your browser, it should be noticed on the bottom or top of your browser. **Open that file.** The Physician Resources page appears.

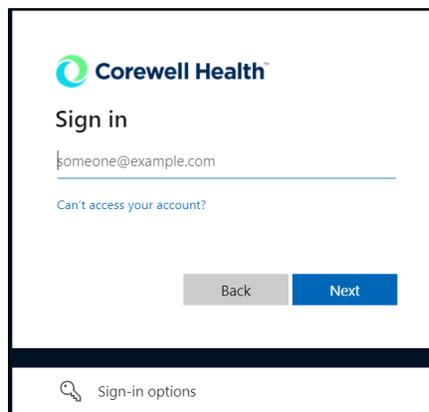

7. Click on the Physician Preference Guide link near the top of the page. Depending on your browser, you might have to expand the window to see the entire page.

8. Click on **“Login with Your Corewell Account”** button. Because the program is using your Corewell Single Sign-On account, you might already be logged in and you may not see the next step.

9. You might be asked for your Corewell Microsoft ID. In some cases, you should see your account listed. If you do not see your account, click on Use Another Account and login as asked.

10. Depending on your activity already today, you may be asked to verify your account PING.

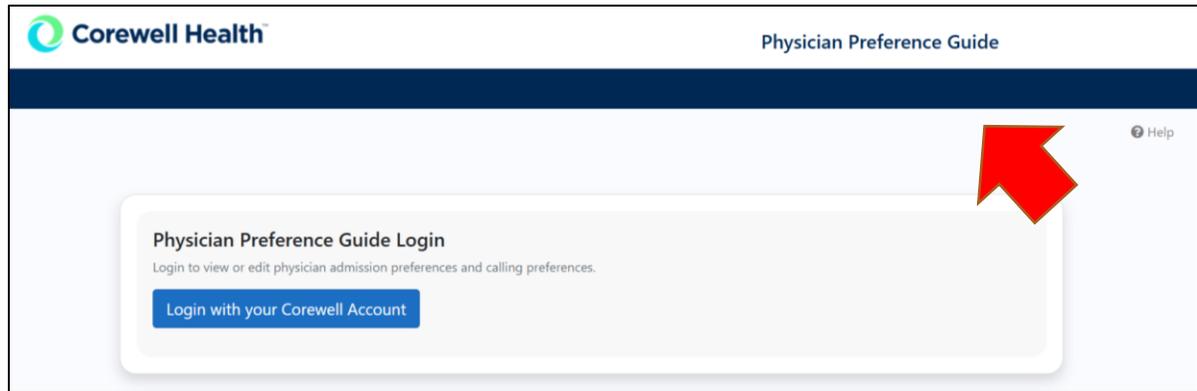

11. Once you passed the login, you will see the "Welcome" page. You are in!

The screenshot shows the 'Physician Preference Guide' interface for a user named Cliff Hanger MD. The page features a dark blue header with the Corewell Health logo and the user's email address, john.mayernik@corewellhealth.org. Below the header, there are navigation links for Home, Search, Help, and Logout. The main content area is titled 'Welcome Cliff Hanger MD' and includes a message: 'Welcome to the Main Portal Page. Please select a button to complete a task.' There are four main action buttons arranged horizontally, each with an icon and descriptive text:

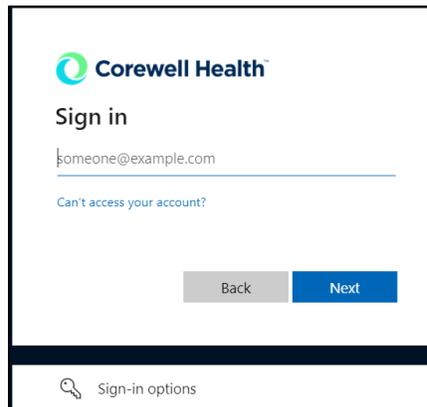

- Admission & Specialty Preferences**: Edit your preferences by hospital. Icon: Person with list.
- View My EPIC Screen**: View your profile as seen in EPIC. Icon: Clipboard with plus sign.
- View Paging & Calling Preferences**: Go to the paging program (CHConnect). Icon: Mobile phone.
- View my Provider Directory Profile**: View your directory information. Actually Dr. Dabbous. Icon: Person with ID card.

Login from a Corewell Device

1. Visit <https://ppg.chewebapps.corewellhealth.org/>.
2. Click on **“Login with Your Corewell Account”** button. Because the program is using your Corewell Single Sign-On account, you might already be logged in and you may not see the next step.

3. You might be asked for your Corewell Microsoft ID. In some cases, you should see your account listed. If you do not see your account, click on Use Another Account and login as asked.

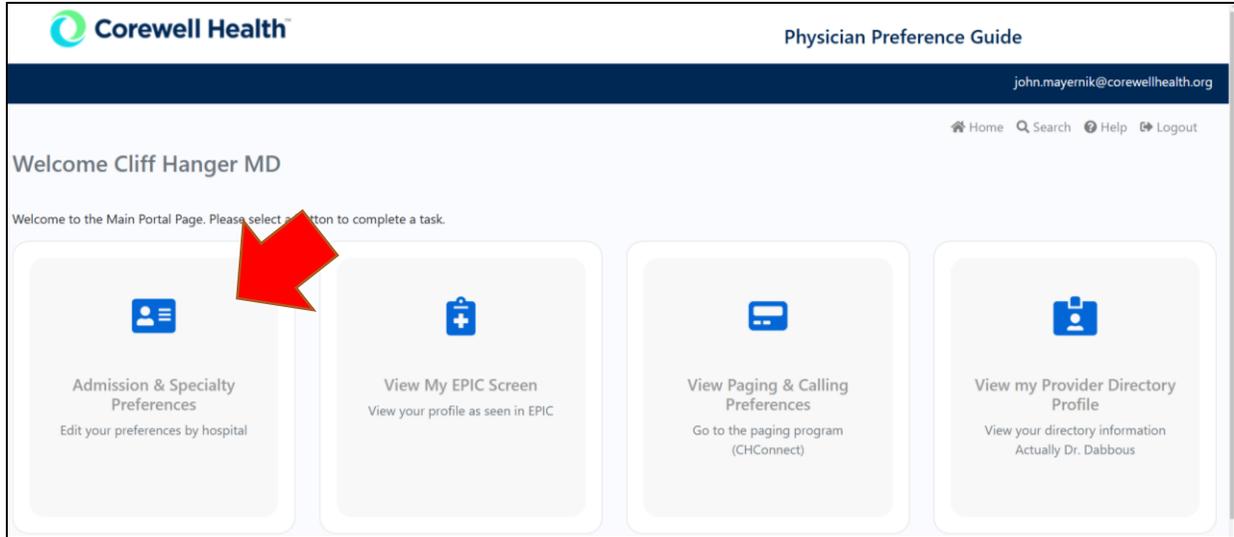

4. Depending on your activity already today, you may be asked to verify your account PING.
5. Once you passed the login, you will see the “Welcome” page. **You are in!**

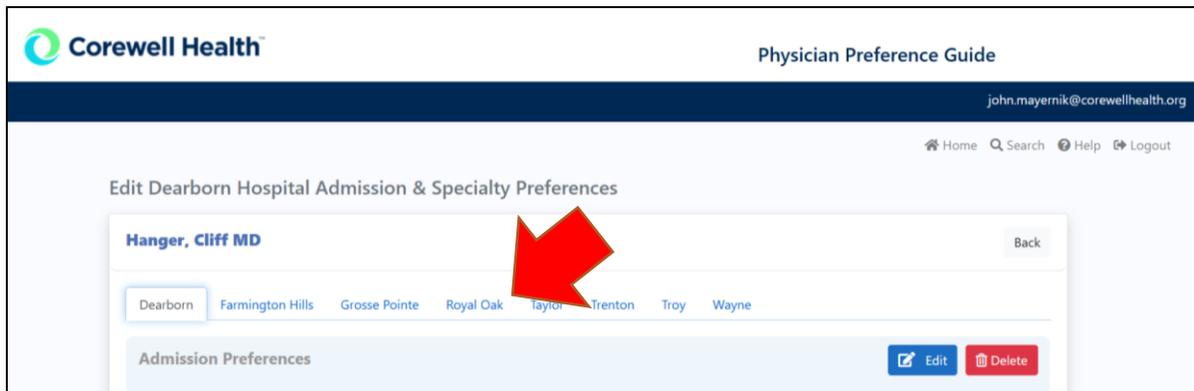

Edit Admission Preference

Your admission preference is your general admission preference for your patients.

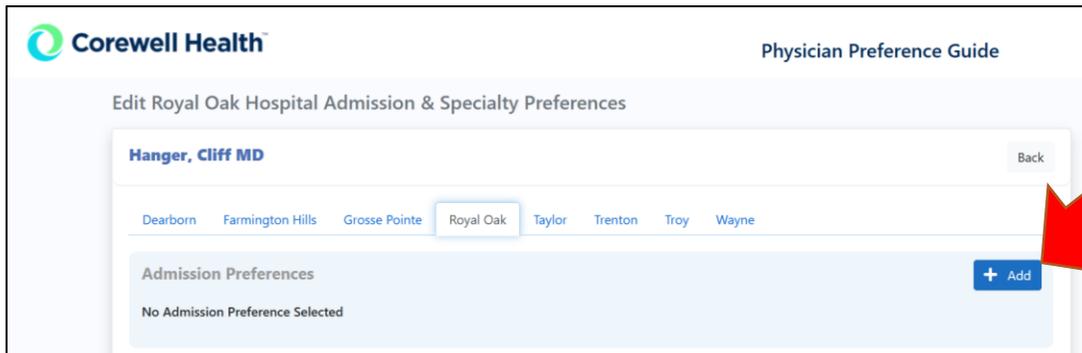

1. Click on Admission & Specialty Button.

2. Pick the hospital.

3. On the hospital tab you want to change, click on Add button.

4. **Please fill out the form.** You can decide who you want a Courtesy call. Certain hospitals have their own questions.
5. **Choose your preference type.** Your answer determines the next question.

Royal Oak: Admission Preference

Hanger, Cliff MD Back

Give me a Courtesy Call

Preference Type

-- Select Preference Type --

Admits to Med-Staff On-Call

Admits to a Physician

Admits to a Physician Group

Do not add them in the notes section.

6. If you select “Admits to Physician” or “Admits to a Physician Group”, you will be asked to select the doctor or group in another drop-down menu.

Admits to a Physician Group

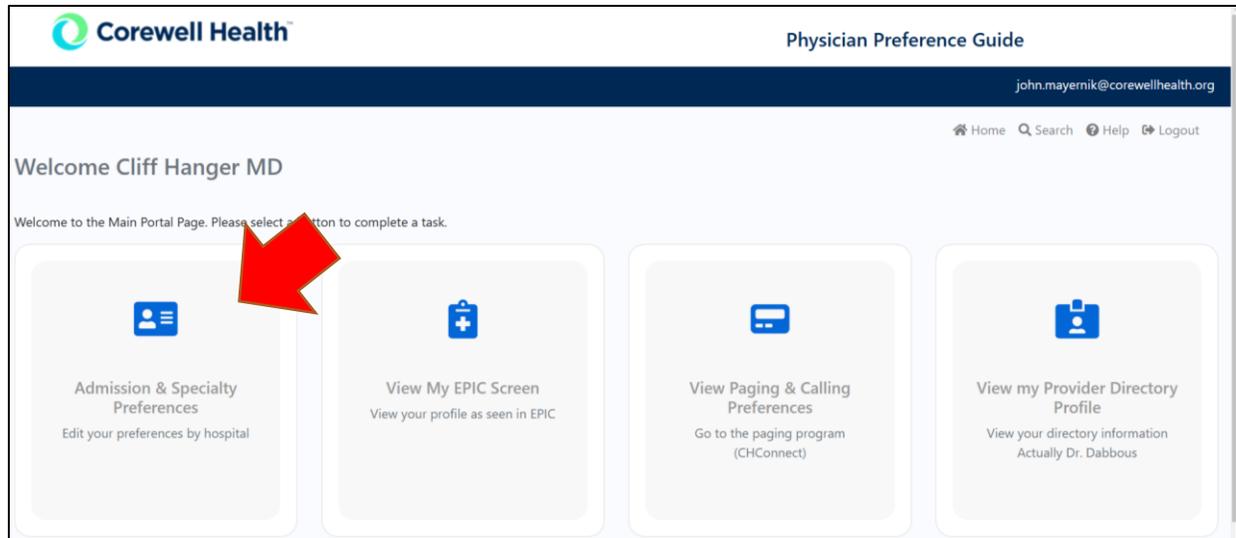

-- Select Group --

7. **Type in a note in the Note box.** This is not mandatory.
8. **Click on Submit.** Your selection is saved.
9. **Repeat for other hospitals if necessary.**

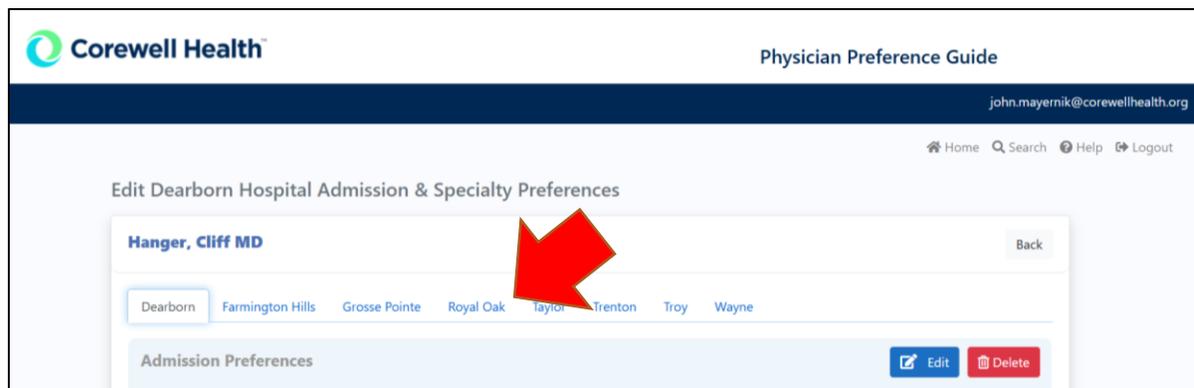

Edit Specialty Preference

Your specialty preference is a more specific preference for your patients.

1. Click on Admission & Specialty Button.

2. Pick the hospital.

3. On the hospital tab you want to change, scroll down to the Specialty Preference section and click on “Add Specialty” button.
