

# Virtual pelvic pain support group

Corewell Health William  
Beaumont University Hospital  
Women's Urology

**For women with interstitial cystitis, vulvar pain and other uro-genital pain problems, here is a support group for you.**

The pelvic pain support group helps women with pelvic pain get the support of others with similar problems and encourages participants to take active, positive steps toward coping. Team members from the women's urology and pelvic health center will facilitate the group.

**Thursdays,  
11:30 a.m. to 1 p.m.**
