

Helen DeVos Children's Hospital: Music Therapy Internship Application

Thank you for your interest in the Music Therapy Internship Program at Helen DeVos Children's Hospital. The next few pages have important information regarding the application process.

The music therapy internship will be offered once per a year, starting in June and ending in December. The deadline for applications for the internship is the last Friday of October of the year prior to the start of the internship.

Materials and Requirements

Materials should be emailed to: musictherapy@helendevoschildrens.org

Please send your completed application with the following documents:

- Application cover page (provided on the following page)
- Completed **official** transcripts from all universities attended
- Two letters of recommendation addressing musical, clinical, and professional skills of applicant. One must be a letter of eligibility from Academic Director.
- Current cover letter and resume
- Videos demonstrating the applicant's musical abilities. Applicant should play at least 3 songs which could be used in the pediatric setting. Demonstrations must include the applicant's main instrument along with piano, guitar, and voice. The applicant may share demonstration by emailing 'unlisted' YouTube links.
- Written answers to the following questions:
 - Why did you decide to pursue music therapy as a career?
 - What do you hope to achieve during your internship?
 - What are your strengths, and what skills do you want to refine?
 - Describe one positive and one challenging experience you have encountered during your academic/clinical training?
 - Why are you applying for this particular internship site?
