Linda Rossetti, MD
Assistant Program Director

What I love most about HDVCH and this residency is…how this program provides residents with a perfect balance of exposure to both high-complexity, high-acuity inpatient care and community- based, advocacy-centered general pediatrics. Graduates will be prepared for any future career trajectory.

About Me

- I'm a Michigander through and through. I was born and spent most of my childhood years in the Lansing area but graduated from high school on the West side of the state. Outside of work, my husband and I stay busy keeping up with our two school-age kids (a son and a daughter) and our shelter dog, Beemo, who is named after the character from Adventure Time. I'm also an active member of L.I.N.D.A. Club, which is an international social club for women named Linda/Lynda.

My Training

- Undergraduate: University of Michigan
- Medical School: Michigan State University College of Human Medicine
- Residency: Baylor College of Medicine/Texas Children's Hospital
- Fellowship: Baylor College of Medicine/Texas Children's Hospital

My Clinical Interests

- The genetics of autism and other neurodevelopmental differences
- Aminoacyl-tRNA synthetase disorders
- Mental health and well-being in medicine and medical education

My Hobbies

- Crochet
- Dance fitness (Zumba, WERQ, etc.)
- Fangirling
