

The Power of Philanthropy:

As we continue our mission to support the health and well-being of our Southwest Michigan community, we're excited to share updates on recent achievements, upcoming projects, and the incredible impact of your generosity. Whether you're a donor, volunteer, or community partner, your support helps us bring compassionate care and vital resources to those who need it most. Let's take a look at what we've accomplished together—and what's ahead.

The Power of Giving

At the heart of our mission are individuals who go above and beyond to make a meaningful impact—and Ann is one of those extraordinary people.

As a dedicated board member, Ann brings thoughtful leadership and a deep commitment to our hospital's future. Her passion for wellness shines through in the sound bath sessions she provided to our local care providers, offering moments of calm and appreciation that truly uplift our team.

Ann's support extends even further through her generous sponsorship of our annual gala, helping us advance behavioral health initiatives that are vital to our community. Her involvement is a beautiful example of how one person's dedication can ripple outward, touching lives in powerful ways.

We're honored to celebrate Ann and grateful for everything she does to bring our mission to life.

ANN CAMPBELL

"Joining the board has been an incredible opportunity to connect with the community and support meaningful projects through the foundation's impactful work."

Mission in Motion

South Haven Hospice

On August 2, more than 200 guests gathered along the beautiful Black River for an evening of delicious food, live music, and cocktails at sunset—all in support of hospice care. Thanks to the generosity of our community, the event raised 50 Days of Care for patients and families in South Haven.

Certified to Heal

In May, Miranda Jenkins, an Inpatient Occupational Therapist, earned her Certified Stroke Rehabilitation Specialist (CSRS) distinction. This achievement was made possible through a Foundation-funded Department Grant, reflecting our commitment to advancing clinical excellence. With this certification, Miranda is now equipped to provide an even higher level of care to her patients.

Our Latest Projects

- Behavioral Health Facility
- Team Member Giving Campaign
- Community Endowment Cycle 2
- Niles Tree of Love
- South Haven Hospice Luminary

Making an Impact Together

On July 8, 2025, Corewell Health Foundation Southwest Michigan presented awards in support of several local non-profits, who are committed to improving health with a focus on health equity, diversity, and inclusiveness in Southwest Michigan. Six awards totaling \$122,500 were awarded from the Foundation's Community Wellness Endowment.

Cycle 2 opens on October 1, 2025

Support Local Care

A small contribution can make a big difference for someone in our community.

Board Member Spotlight

Since joining our board in 2021, Dathan Lumpkins has been a dedicated advocate for the CHFSM mission. He recently completed a sprint triathlon in honor of his mother, Rose Lumpkins, dedicating all proceeds to the Marie Yeager Cancer Center—transforming personal strength into meaningful support for our mission to improve health, instill humanity, and inspire hope.
