

Clinical Instructor Resources

Corewell Health Dearborn Hospital

This resource page is current as of June 2026

One student is allowed per clinical day. Units have the right to cancel prescheduled opportunities for low capacity caused by training, precepting, or low staffing.

Off Unit Opportunities

Please reach out to the individual department contact to arrange for shadowing opportunities for your students

- EC: Courtney.Brown3@corewellhealth.org
- Cath Lab/ICU: Donica.Stubbs@corewellhealth.org or Kennedy.Long@corewellhealth.org or Michelle.Barnett2@corewellhealth.org
- QR: Melissa.Pidcock@corewellhealth.org
- PACU: Jessica.Kurdziel@corewellhealth.org
- OB: Laura.Mack2@corewellhealth.org or Monica.Galbraith@corewellhealth.org
- NICU/Peds: Christine.Rossi@corewellhealth.org
- Med/Surg: Brooklyn.Owens@corewellhealth.org, Jennifer.Long4@corewellhealth.org, Lauren.Wallace@corewellhealth.org or Sakina.Warren@corewellhealth.org
- Wound Care: Jessica.Coxreber@corewellhealth.org

Skill Lab Opportunities

Dearborn offers skills opportunities along with equipment use for practice (contact Jennifer.Paul@corewellhealth.org with limited access after-hours)

- IV start practice with practice arms
- Indwelling catheter insertion practice with practice pelvis
- Chest tubes, Nasogastric and Central lines for assessment practice
- Full maternal/obstetrics delivery skill simulation lab

We encourage you as a clinical instructor to utilize any and all resources available for your clinical groups during their assigned clinical rotation times.

Clinical Student Placement

For more information contact Michelle Wallace or Teddy Abesamis at CHEStudentPlacement@corewellhealth.org
