Clinical Instructor Resources

Corewell Health Troy Beaumont Hospital

This resource page is current as of September 2026
One student is allowed per clinical day. Units have the right to cancel prescheduled opportunities for low capacity caused by training, precepting, or low staffing.

Off Unit Opportunities
Please reach out to the individual department contact to arrange for shadowing opportunities for your students

- EC: Heather Harris (heather.harris@corewellhealth.org) or Megan Goodnite (megan.goodnite@corewellhealth.org)
- ICU: Karly Cashman (karly.mendler@corewellhealth.org) or Donna Wright (donna.wright@corewellhealth.org
- OR: Marisa Barbara (Marisa.Barbara@corewellhealth.org)
- OB: Becky Corwin (becky.corwin@corewellhealth.org)
- Sim Lab: John Freds (john.freds@corewellhealth.org) or Avi Dees (aviana.dees@corewellhealth.org)

Sim Lab Opportunities
Troy offers simulation opportunities along with equipment use for practice (limited access for off hours-evenings and weekends).

- IV start practice with practice arms
- Indwelling catheter Insertion practice with practice pelvis
- Full functioning simulation manikin for assessment practice

We encourage you as a clinical instructor to utilize any and all resources available for your clinical groups during their assigned clinical rotation times.

Clinical Student Placement
