

Patient Registration Guide

Your procedure has been scheduled at Corewell Health Surgery Center - Lenox. Please complete your health history through our secure online portal. This valuable information helps us provide you with the best experience possible. Use the software to keep your health history current and easily accessible for future appointments. Note: your One Mnet Health Medical Passport is specifically tied to the care you will receive at this facility. It is separate from your Corewell Health MyChart account.

How to Complete Your Medical Passport Online

You may receive a text or email message about completing your online history through Medical Passport. Please follow the links in the message to complete, or go directly to onemp.com/fid/1699 and follow the instructions below.

New Users:

Click 'Register' to create your first Medical Passport.

1. Enter your demographic information to create your account.
2. Answer the questions to complete your online health history.

Returning Users:

If you've previously created a Medical Passport Account, you will need to log in to update your health history.

1. Enter your original username in the 'Welcome Back' area.
2. Once you've successfully logged back into your account, click on the button located on the top right of the page.
