

## About the Foundation

## Sponsorship opportunities...

On February 7, 2021, we lost our husband, father, grandfather, son, uncle, cousin, and friend. Darren Gort was a man whose heart knew no boundaries. He loved with everything he had and would give his last dollar to help someone in need.

During his treatment for oropharyngeal cancer, he often commented wondering "what would someone do if they did not have the support I have?" or "What would someone do if they could not afford the over the counter treatments needed for combating side effects, or the required dental care needed before radiation?"

Together we vowed that once he got through everything, we would work to ensure that others going through a head and neck cancer, or any cancer, would have the resources they need regardless of their financial status.

Sadly, Darren passed, but I, along with our amazing family and friends are committed to carrying on the legacy of the man who brought us and others so much joy!

Two weeks after he passed, we started the "Darren L. Gort Memorial Foundation", providing needed funds for cancer research, education, equipment and patient and family assistance right here in West Michigan.

We could not do what we do without YOU!

From the bottom of our hearts, we thank you!

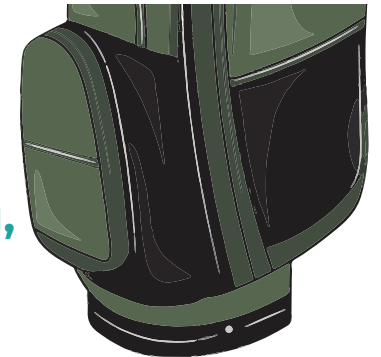

Gratefully,

The Darren L. Gort  
Memorial Foundation Board
