

Corewell Health Family Medicine Residency

Robin O'Meara, MD FAFPP, NIPPID Fellow, AAFP Vaccine Science

Program Director

Residency: Advocate Lutheran General Hospital

Medical School: Loyola Stritch School of Medicine

Hometown: Chicago(land), IL

Why I Love Teaching: I love watching residents go from interns to attendings, that change in confidence, knowledge, and ownership of patients that happens over the 3 years is amazing. It's also fun for me to learn from residents. They keep me up to date and excited about my career.

Clinical Areas of Interest: Gyne procedures, pediatrics, and immunizations.

Hobbies: Reading (just about anything), cooking, playing board games, and exercising

Nichole Lambert LMSW, SPADA, CAADC

Assistant Program Director

Behavioralist

Western Michigan University

Hometown: Dubuque, Iowa

Why I Love Teaching: I love seeing the growth in the residents from PGY1-PGY3 year and beyond. I enjoy working with the residents in obtaining the holistic picture of the patients and their needs.

Clinical Areas of Interest: Physician Wellness, Behavioral Medicine, Substance Use Disorders .

Hobbies: Reading, going for walks, spending time with family.

Corewell Health Family Medicine Residency

Lauren Snyder, MD

Assistant Program Director

Residency: Sparrow Hospital

Medical School: New York Medical College

Hometown: Grand Rapids, MI

Why I Love Teaching: I am passionate about teaching residents how to provide patient-centered, evidence-based care while navigating the inherent biases and inequality built into our complex healthcare system. I have worked at the Corewell Health Family Medicine Residency since its inception and enjoy helping residents become lifelong learners who know the importance of advocating for their patients in the exam room and in the community they serve.

Clinical Areas of Interest: Telehealth, Reproductive Healthcare, LGBTQ+ Healthcare, Gender affirming Healthcare

Hobbies: I love swimming, water polo, travelling, taking my dogs for walks to get coffee, and watching sports (Go Lions!)

Dan Wallace, DO

Core Faculty

Residency: Sparrow Hospital

Medical School: Michigan State University College of Osteopathic Medicine

Hometown: Mason, Michigan

Why I Love Teaching: Sharing with residents and medical students almost 30 years of medical experience and patient care.

Clinical Areas of Interest: Obstetrics, procedures, and osteopathic manual treatments.

Hobbies: hiking, biking, boating.

Corewell Health Family Medicine Residency

Brian Wilder,, DO, DipABLM

Core Faculty

Residency: Munson Hospital

Medical School: Michigan State College of Osteopathic Medicine

Hometown: Alto, MI

Why I Love to Teach: Teaching allows for building meaningful relationships with medical students and residents to help them grow personally and professionally towards their goals.

Clinical Areas of Interest: Sports Medicine, Lifestyle Medicine, Office base procedures, POCUS, Chronic Disease management.

Hobbies: Fly Fishing, Volleyball, Gravel and Mountain Biking, Running, Woodworking

Craig Matisoff, MD

Core Faculty

Residency: Corewell Health

Medical School: Michigan State University College of Human Medicine

Hometown: East Lansing, MI

Why I Love to Teach: I enjoy the bidirectional knowledge sharing that comes with working in the academic medical setting. It is also wonderful to see the growth of medical students and residents as they progress throughout their training.

Clinical Areas of Interest: . Home-based primary care, patient education, office-based procedures, hospital medicine, palliative and hospice care, and many more (FM is great that way!)

Hobbies: When not in clinic or the hospital, I enjoy spending time with my family in the outdoors, traveling, and cheering on my Spartans.

Corewell Health Family Medicine Residency

Harland Holman, MD

Faculty

Residency: University of Michigan

Medical School: Michigan State University, College of Human Medicine

Hometown: Jackson, Michigan

Why I Love to Teach: I love to see the excitement when residents learn new things, or excel at something that was a struggle before. Also, I love how medical students and residents teach me new things.

Clinical Areas of Interest: Men's Health, Refugee Health, Pain Management and Addiction treatment, Preventive medicine, basically all of Family Medicine

Hobbies: Chess, running, cello, games, watching my kids in music, sports, and other activities

Randy VanOcker, DO

Faulty

Residency: Western Michigan University

Medical School: Michigan State University College of Osteopathic Medicine

Hometown: Greenville, MI

Why I Love to Teach: I love being able to support students and residents in becoming a good physician... not just in knowledge, but in meeting the patients where they are.

Clinical Areas of Interest: . Osteopathic Manipulation, Pediatrics

Hobbies: Boxing, Reading, Biking, Gardening

Corewell Health Family Medicine Residency

Ben Davidsom, MD

Faculty

Residency: Grand Rapids Medical Education Partners

Medical School: University of Queensland School of Medicine

Why I Love to Teach: I can't imagine working outside of a teaching environment. I love sharing my experience and helping students and residents grow and learn.

Clinical Areas of Interest: Hospital medicine, ICU, LGBTQ+ health

Michael Bouthillier, PharmD

Clinical Pharmacist

Pharmacy School: University of Utah

Hometown: Roseville Michigan

Why I Love to Teach: Creating an environment where synergism occurs between the teaching and the learning for the direct benefit of the patients we serve.

Clinical Areas of Interest: Medication outcomes and Diabetes

Hobbies: Golf, Camping, Woodworking

Corewell Health Family Medicine Residency

Ashley Feehan, DO

Faculty

Residency: Corewell Health/Michigan State University

Medical School: Michigan State University College of Osteopathic Medicine

Hometown: Grand Rapids, MI

Why I Love to Teach: I feel a real sense of pride as I watch residents gain confidence and knowledge. It feels fulfilling to help someone achieve success. I also think that teaching is one of the best ways to continue life long learning.

Clinical Areas of Interest: Management of chronic disease, preventative health, female reproductive health.

Hobbies: Being with my family, volleyball, golfing, gardening, reading, traveling.

Leah VanEnk, DO

Faulty

Residency: MacNeal Hospital

Medical School: MSU-COM

Hometown: Portage, MI

Why I Love to Teach: Seeing learners grow into kind, independent practitioners

Clinical Areas of Interest: Women's Health, Preventive/Proactive Health, Integrative Medicine
