

## SCHOOL OF MEDICAL LABORATORY SCIENCE

William Beaumont University Hospital - Royal Oak, MI

### PROGRAM OUTCOMES

#### 46-week MLS Program

2023-2025

Corewell program data represents students who graduated January 1st thru December 31st in that year.

#### ASCP Board of Certification Pass Rate \*

| Year    | Program % | Hospitals % | National % ★ |
|---------|-----------|-------------|--------------|
| 2023    | 94        | 86          | 76           |
| 2024    | 82        | 77          | 75           |
| 2025 #  | 84        | 83          | 76           |
| Average | 87        | 82          | 76           |

\* Graduates who passed the ASCP BOC exam within one year of graduation.

➤ NAACLS Benchmark = 75% or better over 3 consecutive years

★ all NAACLS programs (hospital-based and university-based)

# Note: 25 of 27 graduates took the exam within one year of graduation; 21 of 25 passed.

#### Graduation \*\*

| Year    | # Students | Graduation Rate |
|---------|------------|-----------------|
| 2023    | 17 / 18    | 94%             |
| 2024 #  | 11 / 14    | 79%             |
| 2025    | 27 / 27    | 100%            |
| Average |            | 91%             |

\*\* Students who began the final half of the program and went on to successfully graduate from the program.

➤ NAACLS Benchmark = 70% over 3 consecutive years

# One additional student transitioned to and graduated from a Microbiology Technologist structured program.

#### Placement \*\*\*

| Year    | # Students | Placement Rate |
|---------|------------|----------------|
| 2023    | 17 / 17    | 100%           |
| 2024    | 12 / 12    | 100%           |
| 2025    | 27 / 27    | 100%           |
| Average |            | 100%           |

\*\*\* Graduates who found employment in the field (for those who seek employment) or who continued their education within one year of graduation.

➤ NAACLS Benchmark = 70% over 3 consecutive years
