

# KURNELL COMMUNITY UPDATE

November 2025

## Kurnell Village Festival

WHAT. A. DAY.

The Kurnell Village Festival returned on Sunday 2 November and drew a strong crowd from across the Shire. The community turned out for live music, food trucks, market stalls, rides and free family activities.

Ampol was proud to support the event as major sponsor, working closely with the festival committee to shape the program and bring new energy to the day. The Ampol Family Zone was a hit, offering free activities for kids and families throughout the afternoon.

Special thanks to Mayor of Sutherland Shire Jack Boyd, and Councillor Kal Glanznig for stepping up at the Dunk Tank and adding to the fun.

The festival was a clear success. It showed what's possible when community, volunteers and local business work together.

Ampol's outreach program continues to support practical initiatives that connect residents and strengthen the village.

## Emergency Preparedness

The terminal recently hosted a crew from Fire and Rescue NSW – Riverwood Station, on a site familiarisation visit to strengthen local emergency response.

The session gave a detailed overview of terminal operations, layout and safety systems. It also provided an opportunity to discuss how FRNSW and terminal staff can work together in the unlikely event of a major incident.

This proactive approach supports community safety and ensures that in the event of an emergency, all parties are better prepared to respond quickly and effectively.

## MOD - 7 update

Ampol is continuing to progress with a Response to Submissions Report for our Mod-7 application and preparing to lodge our EIS Report for the Kurnell Energy and Industry Hub development application.

As these reports are finalised, we'll share more details and fact sheets to keep you informed. We remain committed to providing regular updates and ensuring the community stays engaged as these projects progress.

Ampol would like to acknowledge the Gweagal people as the Traditional Custodians of the land where the Kurnell Terminal is located, and pay our respect to Elders past and present.

## Heart Start Kurnell

As part of our continued commitment to safety and connection to our local communities, Ampol has commenced a rollout of public access defibrillators across the Kurnell area, as well as providing CPR training for the local community. This initiative was launched in response to an Ampol employee who was involved in a medical emergency in the local area and recognised the need for more accessible defibrillators.

The program, called Heart Start Kurnell, aims to equip residents with both the tools and knowledge needed to act quickly in an emergency. Public access defibrillators have been deployed, including at Silver Beach Cafe Post Office and Cape Solander.

Since the program commenced, one defibrillator has already been used on a member of the public, providing support before paramedics arrived.

Cardiac arrest can happen without warning and affects more than 9,000 people in NSW each year. That's why we are encouraging locals to register with GoodSAM – an app that alerts trained volunteers when someone nearby needs CPR before paramedics arrive.

For more information visit [www.ambulance.nsw.gov.au/get-involved/goodsam](http://www.ambulance.nsw.gov.au/get-involved/goodsam)

This safety initiative, funded by Ampol, provides ready access to critical safety equipment and empowers the local community to feel greater confidence in their ability to respond when it matters most.

### TERMINAL SIREN

Our siren is tested everyday at 12noon with a 1 x 10 second blast, and 2 x 10 second blasts on Monday.

The siren is for on-site personnel only and people in the community do not need to take action.

In the unlikely event of a major incident, that has potential to impact the community, Ampol will provide initial alerts and information via its community notification platform.

Residents are advised to always follow and direction from emergency services.

To subscribe to the platform, scan the QR code below and complete the form, or forms are available at the Silver Beach Cafe and Post Office.

## An evening with Mark Donaldson VC

An evening with

# MARK DONALDSON VC

- Victoria Cross recipient
- Ex SASR soldier
- Young Australian of the Year
- Best selling author

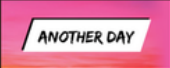

**FRIDAY 21 NOVEMBER**  
7:00 pm – 9:30 pm

**KURNELL REC CLUB**  
Captain Cook Drive Kurnell

**TICKETS – \$25**  
[www.anotherday.org.au](http://www.anotherday.org.au)

Proudly presented by

A split-second was all it took for Mark Donaldson's life to change forever, when an extraordinary display of courage in war-torn Afghanistan saw Donaldson awarded the Victoria Cross for Australia.

'An Evening with Mark Donaldson VC' promises to be a unique insight into courage, leadership and resilience from one of Australia's most inspiring leaders, as he shares an extraordinary first-hand account of his actions that led to him receiving the nation's highest military award for bravery.

Another Day and Ampol are honoured to host Donaldson at Kurnell Recreation Club on Friday 21 November. All are welcome!

Another Day is a Shire-based men's mental health group that encourages all men to talk openly about mental health.
