June 2–7, 2025 | Coral Gables, FL & Virtual (ET)

Cyber Defense Heats Up in Miami – Are You Ready?

Welcome to Miami! ¡Bienvenidos a Miami!

Sun, cyber, and strategy collide at **SANS Cyber Defense Miami 2025!** Experience elite cyber defense training in one of the most vibrant and tech-forward cities in the world. Immerse yourself in hands-on learning, gain insights from top experts, and network against the backdrop of palm trees and ocean breezes. Choose your course and register now for hands-on training you can use immediately.

What Sets SANS Cyber Defense Miami 2025 Apart

- **Keynote: Miami-Dade Cyber Crimes Bureau, Major George Perera:** Gain exclusive insights from law enforcement expert Major George Perera on today’s evolving threat landscape and the strategies they use to combat cybercrime.
- **First-Ever Cyber Defense Coin-a-Palooza**—Show off your defensive chops in this special Cyber Defense NetWars experience where you can earn up to FIVE challenge coins. Bragging rights included.
- **Exclusive In-Person Perks**—Special attendee swag, coffee breaks, and direct access to invite-only events happening on-site.
- **Cyber Fiesta Kickoff Party**—Connect with fellow cyber defenders over tacos during a tech talk at Coyo Taco on night one.
- **AlumNight Networking Event**—Connect with fellow cyber defenders in a relaxed atmosphere to share insights, and expand your professional network.
- **Threat Ops Capture-the-Flag**—Put your EDR and threat hunting skills to the test in an exciting competition designed to sharpen your investigative abilities.
- **Unmatched Cyber Defense Expertise**—This event brings together an unprecedented lineup of over 10 Cyber Defense course creators, offering exclusive access to their expertise.
- **Put Your Defensive Skills to the Test**—Compete in the Cyber Defense NetWars Tournament, a high-energy challenge focusing on threat hunting, log analysis, and network defense.
- **Giving Back: Pack a Tote Against Hunger**—Make a real impact in the community by assembling food packages for local families while networking with fellow attendees.
- **Local Flavor and Social Events**—Experience the unique Miami culture while networking at SANS-hosted social gatherings and informal meetups.

Ways to Train

In-Person: The All-Access Experience in Coral Gables, FL

Dive into the future of cyber defense, participate in live discussions, and engage in critical dialogs. Don’t miss this chance to influence the conversation and connect with top cybersecurity leaders! There’s no better way to gain insights than hearing directly from those steering the industry. Get ready to spark your curiosity through hands-on workshops, @Night talks, volunteer opportunities and more!

Live Online SANS

Live Online training offers live, interactive streaming sessions delivered directly from your instructor. Features of Live Online training include networking via chat channels and live access to top SANS instructors. Live Online is a flexible and fun way to learn—from anywhere!

Thursday, June 5 & Friday, June 6
7:15–10:15 PM

Attendance Options: In-Person
Participation is free with any 4–6 day course purchase!
