Eligibility Criteria

To be eligible for the Upskill in Cyber programme, candidates must meet the following criteria:

- Aged 18 or over;
- UK Nationals or have resided in the UK for the last 3 years;
- Not currently, or have previously been, employed in a cybersecurity role;
- Not currently pursuing or having achieved a professional cybersecurity related certification;
- Not currently pursuing or having achieved a cybersecurity related course at undergraduate level or beyond;
- Able to commit to the full 14-week programme delivered virtually;
- Available for cybersecurity interviews and employment following successful completion of the programme;
- Willing to engage with potential government and corporate employers introduced to you by SANS.
