Don't miss out on this rare opportunity to chat one-on-one with some of the offensive community's leading professionals! Be part of this premier event and join us for live music, food, beverages, and networking. Share stories, make connections and learn how to make the most of your week in Austin, TX. You won't want to miss it! SANS event badges are required for admission.

### KEYNOTE:

#### Yelling at the Cloud: Enterprise Edition

Speaker: Jean-François Maes

Tuesday, April 23 | 6:30–8:00 PM | LOCATION: Capitol E (3RD LEVEL)

In this presentation, certified instructor Jean-Francois Maes is going to speak about what cloud vendors don't want you to know: your attack surface when you use cloud resources. He will cover various services and, more importantly, the risk associated with using these services in your organization.

### SANS@NIGHT:

#### Accidental Bug Discovery

(a.k.a. Solid Job Security for the Foreseeable Future)

Speaker: Joshua Wright

Wednesday, April 24 | 7:00–8:00 PM | LOCATION: Capitol E (3RD LEVEL)

For many, cybersecurity is a calling, but it can also irrevocably change how you look at the technology we use every day. In this presentation, SANS Faculty Fellow Joshua Wright recounts several web vulnerabilities found in public websites that he discovered "by accident," just through normal browsing. Join him to learn about how changing your perspective on web application bug discovery can be both a curse and a blessing.
