

Dr. Bilyana Lilly's Biography:

Dr. Bilyana Lilly, CISSP, serves as an Associate Director in Accenture's Cyber Strategy Practice, where she is spearheading the development of the firm's corporate geopolitical capabilities within its cyber strategy portfolio. Dr. Lilly advises senior executives in the private and public sector on how to mitigate cybersecurity risk and defend their networks from nation-level threats. She also serves on the Advisory Boards of the venture capital firm Night Dragon and the cybersecurity firm RunSafe Security. She chairs the Democratic Resilience Track of the Warsaw Security Forum and is an Adjunct Senior Advisor for Critical Infrastructure and Resilience at the Institute for Security and Technology.

Her previous roles include a Manager at Deloitte's Financial Cybersecurity Practice and a Fellow at the RAND Corporation. Dr. Lilly holds a PhD in policy analysis, and three master's degrees, including an honors degree from Oxford University. Her book "Russian Information Warfare" became a bestseller and is on display at the Pentagon. Her debut novel "Digital Mindhunters" is available on Amazon. Dr. Lilly is a mentor and a speaker at RSA, DefCon, CyCon, and the Executive Women's Forum. She has been denounced by Russia's Ministry of Foreign Affairs, chased by a Russian soldier, and called a cyber expert by Tom Hanks.
