- Hands-on labs in a virtual environment
- Courseware in electronic and printed books
- Several courses aligning with GIAC certifications
- Archive of course lectures uploaded to your account daily during the event
- Four months of access to your course lectures recordings

“SANS creates a one-of-a-kind learning experience providing world-class training and fascinating opportunities to network and gain new perspectives from your peers!”

—Justin E., U.S. Federal Agency

“The instruction at SANS is top-notch. I have been to several SANS training courses and they never disappoint. The instructors bring real life experiences and show the students how the material can be applied.”

—Thomas Seck,
Johns Hopkins APL

Enhance your training experience. Add a GIAC Certification attempt and OnDemand Bundle to your course.

Distinguish yourself as an information security leader and get certified with GIAC Certifications. giac.org

Extend your training experience with an **OnDemand Bundle**. Receive four months of supplemental online review and 24/7 online access to your course lectures, materials, quizzes, and labs. sans.org/ondemand/bundles

“The labs are giving me a chance to see the course content first hand and interact with it. It’s doing a good job of letting me play with it and really seeing how the tools and methodologies work.”

— Ryan Moeller, Eureka Strategic Consulting

“SANS training keeps individuals up-to-date with relevant cyber security information. I can now apply the skills learned towards further maturing my program.”

— Nicholas Marriott, Pfizer
