Live Online 

Top Cybersecurity Training Online

SANS has curated a collection of the longest-standing, true-tested, and applicable courses in our curriculum to bring you **SANS Classic 2022** (March 7–12, EST). Experience one of our frequently updated and proven courses that stand as the building blocks of the entire SANS curriculum.

SANS Classic 2022 – Live Online Features

- Practical cybersecurity training taught by real-world practitioners
- Real-time support from GIAC-certified teacher assistants
- Dedicated chat channels for networking
- Hands-on labs in a virtual environment
- Courseware in electronic and printed books
- Several courses aligning with GIAC certifications
- Archive of course lectures uploaded to your account daily during the event
- Four months of access to your course lectures recordings

“This is my first SANS Live Online course and so far I’m loving it. I really feel like I’m there, whilst retaining all the creature comforts of my own home.”

—Graham Smith, Aegon

“I’m blown away at the effectiveness and ease of the Live Online platform. I was concerned based on previous online training experience, but this is well done!”

—Robin A., U.S. Federal Agency

Enhance your training experience. Add a GIAC Certification attempt and OnDemand Bundle to your course.

Distinguish yourself as an information security leader and get certified with GIAC Certifications. giac.org

Extend your training experience with an **OnDemand Bundle**. Receive four months of supplemental online review and 24/7 online access to your course lectures, materials, quizzes, and labs. sans.org/ondemand/bundles

“The best part of SANS training is the absolute knowledge of the instructors. They bring real-world examples to the forefront and have their thumb on the pulse of current tactics used by attackers.”

—Jessie Prevosh, Trend Micro

“Prior to the course I was worried about how the virtual classroom would work, but my instructor and the TAs quickly washed those concerns away; Live Online may actually be my new preferred method of training!”

—John Woeltje, Deloitte
