Training Modalities

Live Online
SANS Live Online training offers live, interactive streaming sessions delivered directly from your instructor. It features many of the activities that SANS students love at training events, such as bonus topical presentations, cyber range challenges, networking via chat channels, and live access to top SANS instructors. Live Online is a flexible and fun way to learn.

In-Person
In-Person training offers students the chance to study in a focused environment without distraction but perhaps most importantly, they offer a direct access to SANS’s world-leading instructors.

NetWars Tournament

With your registration at this event, you will be eligible to join an exclusive NetWars Tournament.

NOTE: The NetWars tournament may not necessarily take place during the same week as your training. Closer to the event dates, you will be emailed with further information for your relevant tournament.
