"Going to SANS was eye opening for us. I think our standards for what constitutes a good worth-while conference with excellent organization, participation and relevant content has changed forever."

- Dispel

"We have been working with SANS for the past three years on custom marketing programs and could not be happier! They go above and beyond, helping us execute high quality events and getting us in front of the right people. They have an outstanding, detail-oriented team that make the process easy."
