DFIR Coin Slayer

Now with new questions and more interactive challenges!

Students enrolled in courses at the DFIR Training Austin from July 26-31 can join us for this virtual DFIR NetWars Coin Slayer Tournament and win a fortune of DFIR coinage. You must correctly answer all five questions from all four levels of one or more DFIR domains. If you answer all questions correctly for a single discipline, you will earn the class coin even for classes you did not take yet. You can start at any level and with any DFIR field, but watch out; there will be no hints this time!

Take your pick, win them all, or answer as many questions as you can, and be the top team or among the top players to get the DFIR NetWars coins.
