In-Person OR Live Online

Hands-On Cybersecurity Training in Nashville, TN or Live Online

SANS is committed to delivering high-quality cybersecurity training so you can keep your skills sharp and stay ahead of cyber threats. Join us for practical training in Nashville, TN or Live Online for SANS Nashville 2021 (Nov 29-Dec 4), and learn from experienced industry practitioners. Choose your course and modality, and register. Whichever training option you choose, you will receive high-quality cybersecurity training you can implement immediately. We look forward to seeing you soon!

Limited In-Person seating is available on a first-come, first-served basis.

SANS Live Training Features

- **Training on the cutting edge:** All courses are designed to align with dominant security team roles, duties, and disciplines.
- **Learn from the best:** SANS instructors are active security practitioners who bring their extensive knowledge and real-world experiences to the classroom.
- **GIAC Certification:** Several certifications align with SANS training courses, validating student mastery for professional use in critical, specialized InfoSec domains, and job-specific roles.
- **A superior investment:** Interactive, immersion learning with opportunities to network with and learn from other professionals.
- **The SANS Promise:** You will be able to apply the skills and techniques you've learned as soon as you return to work.

> "SANS creates a one-of-a-kind learning experience providing world-class training and fascinating opportunities to network and gain new perspectives from your peers!"
>
> —Justin E., **U.S. Federal Agency**

> "The instruction at SANS is top-notch. I have been to several SANS training courses and they never disappoint. The instructors bring real life experiences and show the students how the material can be applied."
>
> —Thomas Seck,
> **Johns Hopkins APL**

Enhance your training experience. Add a GIAC Certification attempt and OnDemand Bundle to your course.

Distinguish yourself as an information security leader and get certified with GIAC Certifications. **giac.org**

Extend your training experience with an **OnDemand Bundle**. Receive four months of supplemental online review and 24/7 online access to your course lectures, materials, quizzes, and labs. **sans.org/ondemand/bundles**
