NETWARS GRID

Sat, August 20 & Sun, August 21

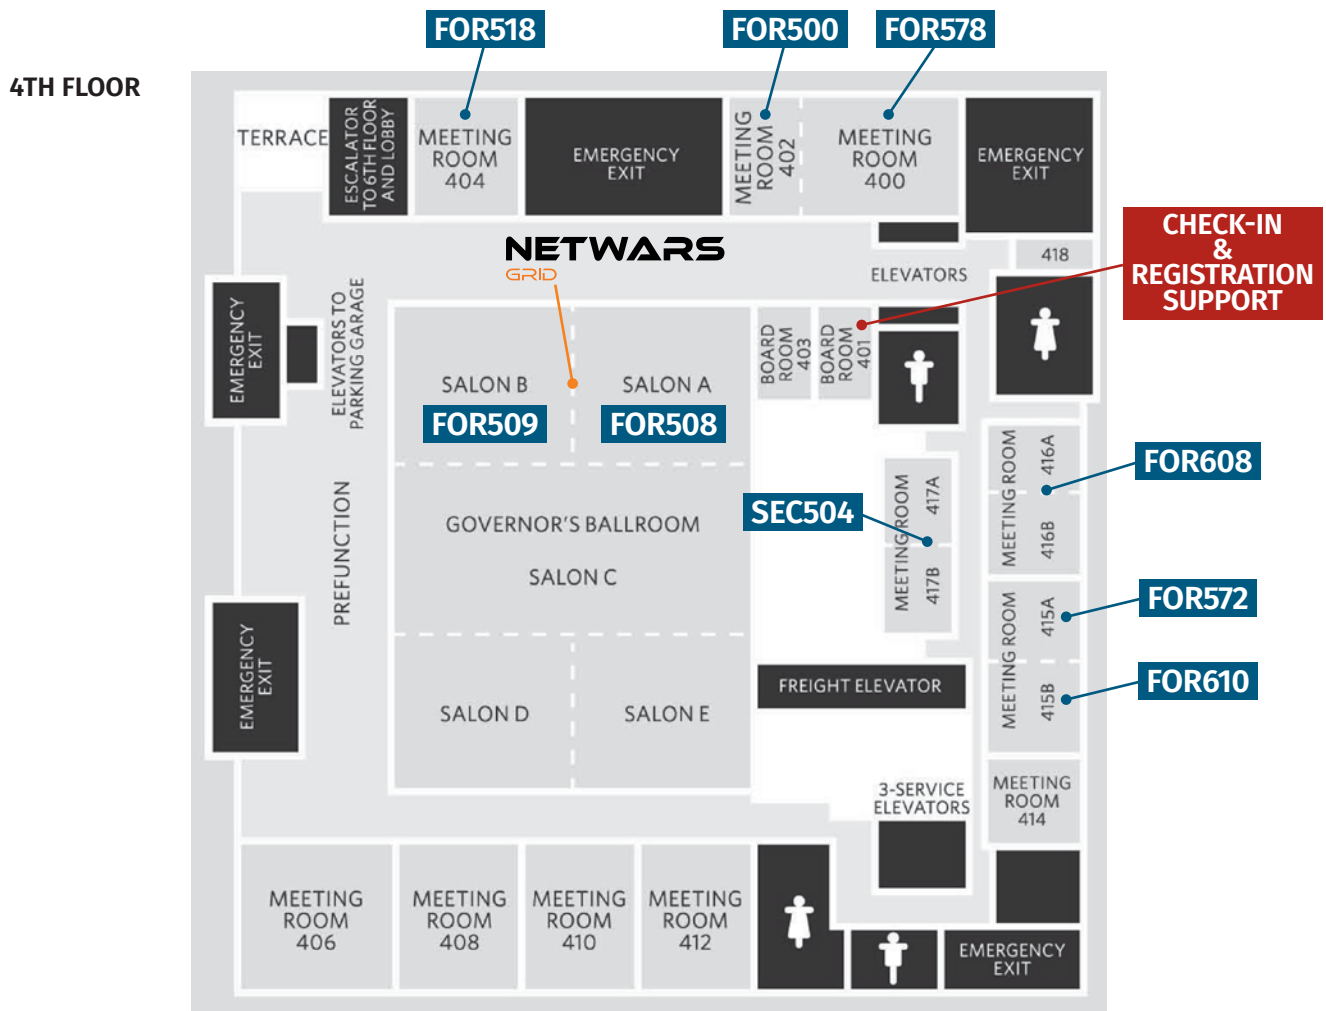

6:30–9:30 PM

Location: Salon A/B (4TH FLOOR)

Grid NetWars is a suite of hands-on, interactive learning scenarios that enable operational technology security professionals to develop, test and master the real-world, in-depth skills they need to defend real-time systems. It was designed for players at all skill levels and from any sector (not just the electric sector).

Students enrolled in in-person long courses at the DFIR Summit will be able to participate in the exclusive Grid NetWars. Registrants will receive an email invitation for applicable challenges.
