SANS Rocky Mountain
Fall 2021
November 1–6 | Denver, CO and Virtual – MST

In-Person OR Live Online

Practical Cybersecurity Training in Denver, CO or Live Online

SANS is committed to delivering high-quality cyber security training so you can keep your skills sharp and stay ahead of cyber threats. Join us for practical training during SANS Rocky Mountain Fall 2021 (November 1-6) and receive relevant, applicable training from top industry practitioners.

Please note, courses are available In-Person in Denver, CO or Live Online during this event. Please see course details below for availability.
For In-Person courses, seating is available on a first-come, first-served basis. Register now to secure your spot.

SANS Rocky Mountain Fall 2021 Features

- In-Person or Live Online training (see Available Courses for details)
- Practical cybersecurity training taught by real-world practitioners
- Hands-on labs in a virtual environment
- Courses include electronic and printed books
- Several courses align with GIAC certifications

Enhance your training experience. Add a GIAC Certification attempt and OnDemand Bundle to your course.

Distinguish yourself as an information security leader and get certified with GIAC Certifications. giac.org

Extend your training experience with an OnDemand Bundle. Receive four months of supplemental online review and 24/7 online access to your course lectures, materials, quizzes, and labs. sans.org/ondemand/bundles

“The real value of this training lies at the intersection of quality content and delivery by a subject-matter expert actively working in the field, making it incredibly relevant and immediately applicable to my job.”
—P. Watson, Microsoft Corp

“SANS training is very valuable because it focuses on what really matters and provides practical and easy ways to improve your security posture.”
—Antonio Sannino, P&G

We are hosting Core NetWars Tournament online during this event. As a paid course registrant, you will receive an email invitation the week of the event detailing how to confirm your spot and join online.

Participate in Core NetWars Tournament during SANS Rocky Mountain Fall 2021 for your chance to qualify for the Tournament of Champions in December! LEARN MORE.

---

“The instruction at SANS is top-notch. I have been to several SANS training courses and they never disappoint. The instructors bring real life experiences and show the students how the material can be applied.”

—Thomas Seck, Johns Hopkins APL
