## Critical Cybersecurity Training in Dulles, VA

Join us for a special edition SANS live training event packed with extra perks not included at other events!

We invite you to experience an all-new style SANS Live Training event at the Executive Conference and Training Center in Dulles, VA this October. This industry-leading, hybrid training, provides a wide range of techniques for beginners up to senior leadership.

Develop the practical skills needed to get started in a cybersecurity career or build and lead a thriving security team.

“Fantastic, passionate, and engaging! The instructor supplemented the course content with experience-related scenarios, improving the learning experience and making it extremely interesting.”

—Eliza-May Austin, **Visa Inc.**

### Special Edition Features

- Cybersecurity leadership training focused on technology, business, strategy, and people, curated to maximize impact on organizational change.
- Intimate networking atmosphere with other leadership professionals.
- Courses include electronic books, printed books, and SANS posters.
- Opportunity to earn CPEs to demonstrate ongoing skill development.
- Preparation for industry-leading cybersecurity certifications: GIAC GISF, GIAC GSLC, and GIAC GSTRT.

### All-New Training Extras

- First-class training facility in Dulles, VA
- Daily course breaks on-site include complimentary breakfast and lunch plus AM/PM snack breaks:
  - Coffee, Tea, and Bottled Water, Soda, and Juices: Available All Day
  - Breakfast: 7:30-9:00 AM
  - Morning Break: 10:20-10:40 AM
  - Lunch: 11:45-1:00 PM
  - Afternoon Break: 3:00-3:20 PM
- Free parking available right outside the training venue!
- Option to stay at a walking-distance hotel through a SANS room block at Holiday Inn Washington Dulles.
- Free shuttle to and from SANS partner hotel, Dulles airport, and surrounding restaurants.

“SANS creates a one-of-a-kind learning experience providing world-class training and fascinating opportunities to network and gain new perspectives from your peers!”

—Justin E., U.S. Federal Agency

“The instruction at SANS is top-notch. I have been to several SANS training courses and they never disappoint. The instructors bring real-life experiences and show the students how the material can be applied.”

—Thomas Seck, Johns Hopkins APL
