SANS SOC Training 2022
March 21–26 | US Central Time

Keep Your Organization Secure with Online Cybersecurity Training

Master the practical steps necessary for defending systems and applications against the most dangerous threats facing security operation center (SOC) analysts and cyber defense team members. Join us for SANS SOC Training 2022 (March 21–26, CDT), and leave ready to apply what you’ve learned the day you return to work.

SANS SOC Training 2022 – Live Online Features

- Practical cybersecurity training taught by real-world practitioners
- Real-time support from GIAC-certified teacher assistants
- Dedicated chat channels for networking
- Hands-on labs in a virtual environment
- Courseware in electronic and printed books
- Several courses aligning with GIAC certifications
- Earn CPE credits towards a certification renewal
- Archive of course lectures uploaded to your account daily during the event
- Four months of access to your course lectures recordings

“Having an SME instructor with tons of real-world experience makes the course material easy to digest, and the Live Online platform is the best platform I’ve experienced!”
—Jeremy Swanson, ManTech

“This Live Online training has been very productive and it is very comparable to in-person training. The detail of information and the instructor’s knowledge was fantastic.”
—Teresa F., U.S. Military

Enhance your training experience. Add a GIAC Certification attempt and OnDemand Bundle to your course.

Distinguish yourself as an information security leader and get certified with GIAC Certifications. giac.org

Extend your training experience with an OnDemand Bundle. Receive four months of supplemental online review and 24/7 online access to your course lectures, materials, quizzes, and labs. sans.org/ondemand/bundles

“I honestly can’t imagine how much effort you all put into creating and delivering this training. I was worried about the Live Online format, but I think it might actually be better than most in-person training.”
—Antonio Sannino, P&G

“I’m very much enjoying that this course is interactive, even while participating virtually. I’m learning a ton and it’s great!”
—Rita Shultz, PwC
