Your gateway to Global Fund Registration & Compliance

Simmons & Simmons provides market leading fund registration and distribution support. Leveraging satellite, our custom-built digital interface, we manage every step of the fund registration process, removing the administrative burden and freeing you to focus on your core priorities. We streamline regulatory complexity to ensure your fund registration and facilities agent obligations are performed in a manner which is aligned with global regulatory requirements. We deliver the highest standard of service and exceptional value without compromising on quality. Our flexible approach means we listen, adapt, and tailor our services to meet your specific needs.

satellite compliments our navigator fund distribution platform ensuring we deliver benchmark-setting fund registration and distribution capabilities.

Simmons Satellite

We offer a comprehensive suite of registration and facilities agent services, supporting fund distribution across 127 jurisdictions. Our services include:

Our Core Services

1

satellite

Our proprietary client portal designed to streamline and support your fund registration and facilities agent activities.

2

Reporting & Regulatory Intelligence

Regulatory updates covering 127 jurisdictions, regular registration compliance reports, designated person reports and more.

3

Jurisdictional Intelligence

Country Guides provide practical advice on marketing rules, regulatory costs, application processes, and compliance essentials for fund activities in each jurisdiction.

4

Premarketing Support

Prepare and submit premarketing notifications to regulators ensuring full compliance with the AIFMD and relevant local regulations.

5

Registration Support

End-to-end support for UCITS and AIF registration in Europe and internationally, handling all documentation, fees, local agent requirements, and regulator communications.

6

Ongoing Regulatory Compliance Management

Ensure fund products remain compliant by managing all regulatory filings, document updates, translations, and fee payments across multiple jurisdictions.

7

Facilities Agent Services

Offer comprehensive facilities agent services across the EEA, ensuring local compliance and investor support, while centrally managing relationships with your existing local agents.

8

Complimentary Services

Distributor due diligence, marketing material review, website compliance audits and regulatory document hosting to further streamline your distribution and compliance processes.

By integrating [Satellite](#) with [Navigator](#), we offer a comprehensive digital ecosystem that enhances our clients' ability to navigate complex regulatory landscapes with confidence and precision.

Why Simmons satellite?

- **Global Reach** – Our expertise spans the globe across Europe, Asia, Latin America, North America, the Middle East, and Africa.
- **End-to-End Support** – Provision of tailored compliance solutions for each jurisdiction.
- **Efficiency & Transparency** – Real time access to workflows, documentation, and compliance updates.

Commercial Flexibility

We offer:

- Transparent fixed fee arrangements
- Flexible invoicing tailored to client needs
- Bespoke service delivery aligned with client requirements
