

# Video Interviews

Our **top 10 tips** to help you prepare for a video interview.

01

Don't wait until the deadline.

---

06

Familiarise yourself with the format.

---

02

Find a quiet place. Turn off your phone.

---

07

Imagine you are talking to a real interviewer. Look presentable. Have the camera at eye level.

---

03

Check the background. Avoid dark space or bright lights behind you.

---

08

Don't let the countdown on the screen panic you.

---

04

Check your connection. Make sure your device is properly charged.

---

09

Speak clearly.

---

05

Use a laptop or desktop.

---

10

Relax and be yourself. Smile!
